

## **Semester 3**

### **MPI 231: Seminar**

This course provides a forum for students to discuss and generate ideas on issues related to a variety of applied social research. Students conduct an in-depth study of a research topic of their choice discuss issues with experts in the field of research work in discussion groups debate and problem solve on selected issues. In the research seminar the students are given an opportunity to integrate their knowledge skills and practical experience gained in the program.

### **MPI 232: Project**

The course is based on an individual research work including literature studies according to the study plan. An individual study plan will be commonly written by the supervisor and the student which serves as a project description. At the end of the practical work the students will write a research report.
