CONNECT TO GLOBAL WORLD

PREFACE

The UN SDGs serve as a guiding framework, offering a roadmap towards addressing pressing global challenges and fostering a more inclusive, resilient, and sustainable future. **Leave No One Behind (LNOB)** is the central, transformative promise of the 2030 Agenda for attaining Sustainable Development Goals (SDGs), which are aligned with our mission and values. We embrace the principles embedded within the SDGs, acknowledging the interconnectedness of social, economic, and environmental issues.

Glocal University is dedicated to academic excellence and societal impact as we recognize

the profound significance of the United Nations (UN) Sustainable Development Goals (SDGs) in shaping a more equitable and sustainable world. Our institution actively contributes to the United Nations SDGs and, hence, is committed to advancing these goals through education, research, innovation, health and fitness, environmental initiatives, and community engagement.

Through our academic programmes, research initiatives, and partnerships, we aim to empower not only our students, faculty, and stakeholders but also the people from nearby villages to become catalysts for positive change. Our commitment extends beyond traditional education; it encompasses a holistic approach that integrates sustainable practices into our operations, curriculum, and outreach efforts.

We strive to equip our students with the knowledge, skills, and mindset needed to tackle complex global issues and contribute meaningfully to society. By fostering a culture of innovation, critical thinking, and collaboration, we aim to inspire future leaders who are passionate about creating a more just and sustainable world.

Furthermore, our university actively engages in research endeavours that address key challenges outlined in the SDGs. We encourage interdisciplinary collaborations and support projects that seek innovative solutions to promote environmental stewardship, social equity, economic development, and technological advancement.

Our commitment to the SDGs extends beyond the campus borders. We are an active contributor in local and global initiatives, partnering with communities, businesses, governments, and civil society organizations to bring sustainable change on the planet.

As an institution, we recognize our responsibility to contribute to the achievement of the SDGs and to serve as a beacon of sustainable development, inspiring others to join us on this transformative journey towards a better future for all.

The Glocal University often organizes various events as well as gets engaged in different activities related to the United Nations' Sustainable Development Goals (SDGs) in the following ways in order to raise awareness, drive innovation, and encourage actions towards achieving these global targets:

- **Seminars and Conferences:** We frequently organize seminars, workshops, and conferences focused on different SDGs. These events often feature expert speakers, panel discussions, and interactive sessions to educate students and the community about the SDGs and their relevance.
- **Research Work:** We are actively engaged in research work aligned with the SDGs. These assignments explore solutions, innovations, and strategies to address specific goals, fostering collaboration between students, faculty, and external stakeholders.
- **Community Engagement Programs:** We frequently initiate community engagement programs that directly address local issues related to the SDGs. These could involve volunteering, outreach, or development projects aimed at solving societal challenges.
- **Competitions:** We regularly organize innovation challenges, and competitions centered around the SDGs. These events encourage students, faculty, and staff to develop creative solutions that contribute to achieving these goals.
- **Curriculum Integration:** We have proudly integrated the SDGs into their curriculum across various disciplines. This integration ensures that students across majors learn about sustainable development, its significance in their respective fields, take mindful actions and decisions contributing to attaining the SDGs.
- **Awareness Campaigns:** We also conduct awareness campaigns, social media drives, and public events to educate students as well as the broader community about the importance of the SDGs and how individual actions can contribute to achieving them.
- **Partnerships and Collaborations:** Collaborations and partnerships with industries, NGOs, governments, and international organizations allow universities to leverage resources, expertise, and networks to advance SDG-related initiatives.
- **Clubs and Committees:** Student-led clubs and faculty-led committees often focus on specific SDGs organizes events, workshops, and fundraisers to support causes related to sustainable development.

These activities not only contribute to raising awareness about the SDGs but also foster a culture of sustainability, innovation, and social responsibility within the university and its surrounding communities.

Glimpse of Events at Glocal University in 2022

Throughout the eventful academic year of 2022, Glocal University wove a rich tapestry of observance days, each contributing to the vibrant fabric of campus life. These occasions transcended mere dates on the calendar, serving as poignant expressions of unity, reflection, and celebration that fostered a profound sense of collective identity among students and staff.

The campus embraced optimism and reflection, setting a positive tone for the months ahead. Veer Bal Diwas followed, infusing the university with an inspiring energy as we celebrated the courage and resilience of our young minds.

The Christmas Carol Celebration Day enveloped the campus in joy and camaraderie, uniting students and staff through the universal language of music and festive celebration. The echoes of carols resonated, creating enduring memories that would linger well beyond the holiday season.

Dedicated to linguistic diversity, Bhartiya Bhasha Day and Hindi Diwas Days celebrated the rich tapestry of languages spoken on campus and across the nation, fostering an appreciation for the diverse linguistic landscape.

National Education Day and Teachers Day served as poignant reminders of the pivotal role educators play in shaping the future. These observances created moments of gratitude and appreciation, reinforcing the symbiotic relationship between educators and learners.

Independence Day and Republic Day brought the campus together in a shared celebration of national pride. The spirit of patriotism echoed through the university as students and staff honored the values enshrined in the constitution.

National Unity Day became a testament to the strength derived from unity in diversity, celebrating the myriad cultures, languages, and traditions that constitute the Glocal University community.

Nigerian Independence Day highlighted the global nature of the university community, acknowledging and celebrating the diverse backgrounds and cultures that contribute to the vibrant tapestry of Glocal University.

International Women's Day became a platform for acknowledging and appreciating the contributions of women in all spheres of life. The campus united in promoting gender equality and recognizing the achievements of women.

Republic Day and National Doctors Day underscored the importance of civic responsibility and healthcare, emphasizing the interconnectedness of individual well-being and the well-being of society.

Mission Shakti Day added a significant dimension to the observance days, focusing on empowerment and inclusivity, fostering a culture where every individual, irrespective of gender, feels empowered and valued.

As the academic year unfolded, Glocal University embraced these observance days not merely as events but as integral components of its identity. The threads of celebration, reflection, and unity woven throughout the year created a tapestry that reflected the essence of the university community. The diverse array of events showcased a commitment to inclusivity, respect for history, and a forward-looking spirit, making Glocal University a vibrant and enriching home for all in the dynamic landscape of 2022.

Event - International Collaboration and Interaction Session

In 2022, Glocal University hosted a transformative event focused on Sustainable Development Goals (SDGs), emphasizing international collaboration and interaction. The event served as a platform for global discourse, fostering a meaningful exchange of ideas and experiences among participants. It aimed to address key SDGs, promoting cross-cultural understanding and cooperation. The international collaboration and interaction session facilitated networking opportunities, encouraging participants to explore innovative solutions for sustainable development challenges. Through engaging discussions, the event at Glocal University contributed to the advancement of SDGs, fostering a sense of shared responsibility and inspiring collaborative efforts towards a more sustainable and inclusive future. Participants gained valuable insights, fostering a collective commitment to address global challenges through international cooperation.

Event - Symposium on Climate Change: Navigating Complexity, Exploring Solutions - A Glocal Academic Discourse

In 2022, Glocal University hosted a pivotal event centered on an in-depth academic discussion on climate change. Renowned scholars, researchers, and environmental experts converged to dissect the complexities of climate change, delving into its far-reaching consequences and potential solutions. The event provided a unique platform for participants to share cutting-edge research findings, exchange insights, and engage in critical discourse aimed at advancing our understanding of climate issues. Glocal University

In 2022, Glocal University hosted a transformative event centered on fostering international collaboration among students. This dynamic gathering provided a unique platform for students from diverse backgrounds to exchange ideas, share cultural perspectives, and engage in collaborative projects. Through interactive sessions and workshops, participants had the opportunity to build global connections, fostering a sense of unity and understanding. Glocal University's commitment to promoting international collaboration was evident as students worked together on innovative initiatives, transcending geographical boundaries. The event not only enriched participants' academic experiences but also contributed to the university's broader

mission of preparing students to navigate a globally interconnected world. It exemplified Glocal University's dedication to cultivating a collaborative learning environment that empowers students to become global citizens and agents of positive change.

KULLIYAT DEPARTMENT

ANATOMY LAB

HERBAL GARDEN

PATHOLOGY LAB

PHYSIOLOGY LAB

Glocal University boasts a state-of-the-art Kulliyat Department, serving as the academic hub for holistic studies. Here, students delve into diverse subjects, fostering a comprehensive understanding of various disciplines. The Anatomy Lab provides an immersive learning environment, equipping students with hands-on experience in human anatomy studies. Complementing this, the Herbal Garden serves as a living laboratory, nurturing a variety of medicinal plants for practical exploration in the field of herbal sciences. The Pathology Lab offers cutting-edge facilities for diagnostic research, while the Physiology Lab facilitates hands-on experiments, enriching students' understanding of physiological processes. Together, these

facilities form a robust educational ecosystem at Glocal University, ensuring a well-rounded and practical learning experience for students in the medical sciences.

Glocal University hosted an exhilarating technological extravaganza in 2022, featuring a dynamic trio of events: a high-energy Hackathon, the cutting-edge Robotryst competition, and an illuminating Microsoft workshop. The Hackathon brought together brilliant minds to collaboratively solve real-world problems, fostering innovation and creative problem-solving

skills. Simultaneously, Robotryst showcased the prowess of aspiring engineers as they engineered and programmed robots for challenging tasks.

In parallel, the Microsoft workshop immersed participants in the latest technologies, providing hands-on experience and insights into the tech giant's ecosystem. This trifecta of events created a vibrant atmosphere of learning, collaboration, and skill enhancement, showcasing Glocal University's commitment to nurturing a tech-savvy and forward-thinking student community. The convergence of these events not only honed technical abilities but also inspired a passion for continuous learning and technological advancement among the participants.

Glocal University's commitment to hands-on and practical learning is exemplified through its well-equipped laboratories, each designed to offer students immersive experiences in various engineering disciplines. The Mechanics Laboratory serves as a dynamic space where students

engage with fundamental principles through experiments and simulations, enhancing their understanding of mechanical concepts. The Thermodynamics Laboratory explores the laws governing energy and heat transfer, providing students with a platform to apply theoretical knowledge to real-world scenarios. In the Heat Transfer Laboratory, students delve into the complexities of heat exchange mechanisms, fostering a comprehensive grasp of thermal dynamics. Complementing these, the Material Laboratory offers a space for students to investigate the properties and behavior of materials, bridging theoretical knowledge with hands-on experimentation. These laboratories collectively form an integral part of Glocal University's commitment to delivering a robust and practical education in engineering.

INDUSTRIAL VISIT E-Durables Company

The company is a leader in original design and equipment manufacturing and has a clientele which includes segment leaders in home appliances and air conditioner branding

INDUSTRIAL VISIT

**Educational Trip to a
construction site & Barla Village**

SURVEY CAMP

**Seven Day Survey Camp
Near Shakumbhari Devi Temple Area**

Glocal University places significant emphasis on experiential learning through initiatives such as industrial visits and survey camps. The Industrial Visit program exposes students to real-world applications of their academic studies. Guided tours to industries provide invaluable insights into

industrial processes, technologies, and management practices. This firsthand exposure helps students bridge the gap between theoretical knowledge and practical implementation, enhancing their understanding of industry dynamics.

Similarly, the Survey Camp is an immersive experience where students engage in on-site data collection and analysis. This hands-on approach, often conducted in diverse geographic settings, allows students to apply surveying and mapping techniques in real-world scenarios. Both Industrial Visits and Survey Camps at Glocal University contribute to a holistic education by cultivating practical skills, fostering critical thinking, and preparing students for the challenges of their respective fields.

INDUSTRIAL VISIT

Glocal School of Polytechnic organized industrial visits as per the curriculum. Industrial visit focuses on preparing the students to learn about the day-to-day workings of a particular industry and understand its operational issues.

FRESHERS PARTY

PROJECTS

CAMPUS PLACEMENT

Glocal University prioritizes a well-rounded educational experience, evident in its diverse array of activities. The Industrial Visit program immerses students in real-world industries, offering firsthand exposure to operational processes and professional environments. Complementing this, students engage in compelling science projects, fostering innovation and hands-on application of theoretical knowledge. The Freshers Party serves as a vibrant initiation, providing new students with a warm welcome and fostering a sense of community.

As students' progress, the university is committed to their future through robust Campus Placement initiatives. Industry collaborations and placement drives facilitate career opportunities, ensuring graduates are well-prepared for the professional world. These initiatives collectively contribute to Glocal University's mission of nurturing well-rounded individuals equipped with academic prowess, practical skills, and a strong foundation for future success.

Glocal University's Science Project Day 2022 culminated in a vibrant cultural meet, blending academic excellence with creative expression. The event showcased an impressive array of scientific innovations and research projects, highlighting the intellectual prowess of students. Attendees were treated to an enriching experience, exploring the intersection of science and culture. The cultural meet featured diverse performances, art exhibitions, and interactive

sessions, creating a dynamic platform for students to share their scientific achievements in an engaging and accessible manner. The fusion of scientific inquiry with cultural celebration not only underscored the academic achievements of the participants but also reinforced Glocal University's commitment to holistic education and the seamless integration of science and arts within its academic community.

At Glocal University, the significance of hands-on learning is exemplified through field visits and soil testing initiatives. The Field Visit program takes students beyond the classroom, immersing them in practical applications of agricultural and environmental sciences. During these visits, students explore diverse ecosystems, gaining insights into soil composition, plant diversity, and ecological dynamics.

A pivotal component of this experience is the Soil Testing initiative, where students actively participate in collecting soil samples and conducting analyses. This practical exercise deepens their understanding of soil fertility, nutrient levels, and agricultural practices. By integrating field

visits with soil testing, Glocal University ensures that students acquire practical skills, fostering a comprehensive understanding of the environmental sciences and preparing them for real-world challenges in sustainable agriculture and resource management.

Glocal University places a strong emphasis on the traditional yet dynamic method of classroom teaching and discussions. In the classrooms, experienced faculty engage students through interactive lectures, fostering an environment of active learning. The teaching methodology encourages open discussions, allowing students to express their thoughts, ask questions, and participate in enriching dialogues with professors and peers. This approach not only imparts theoretical knowledge but also cultivates critical thinking and analytical skills.

The classrooms at Glocal University serve as collaborative spaces where students are encouraged to explore, debate, and delve deeper into their subjects. The blend of traditional teaching methods with modern interactive techniques ensures that students receive a well-rounded education, preparing them for the challenges of the professional world.

CORPORATE GUEST LECTURES

We have taken an initiative "Speaking from Experiences lecture series" - a platform where senior professionals from industry share their experiences with our students.

Glocal University enriches its academic environment through insightful Corporate Guest Lectures, offering students valuable industry perspectives. Renowned professionals and experts are invited to share their real-world experiences, providing a bridge between academic theory and practical application. These engaging sessions expose students to the latest industry trends, challenges, and success stories, fostering a deeper understanding of the corporate landscape.

Corporate Guest Lectures at Glocal University serve as networking opportunities, allowing students to interact with professionals and gain insights into diverse career paths. The lectures not only supplement academic learning but also inspire and motivate students by showcasing the relevance and impact of their education in the professional realm. This integration of industry insights into the academic curriculum contributes to Glocal University's commitment to preparing students for successful and meaningful careers.

GEOLOGICAL STUDY TOUR

Glocal University organizes enriching Geological Study Tours that transcend traditional classroom learning. These immersive excursions expose students to diverse geological landscapes, fostering a deep understanding of Earth's dynamic processes. During these tours, students explore geological formations, study rock structures, and analyze the impact of natural forces on the terrain.

Led by experienced faculty, the Geological Study Tour at Glocal University transforms theoretical knowledge into practical insights. It provides hands-on experiences such as rock sampling, stratigraphic analysis, and field mapping, equipping students with invaluable fieldwork skills. This holistic approach not only enhances academic understanding but also instills a profound appreciation for the complexities of geological systems. The Geological Study Tour aligns with Glocal University's commitment to offering a well-rounded education that prepares students for dynamic careers in geology and related fields.

IDENTIFICATION OF INSECT PEST

At Glocal University, students engage in a comprehensive program for the Identification of Insect Pests, a vital component of agricultural studies. Through hands-on initiatives, students learn to recognize, classify, and understand the behavior of insect pests that can impact crops. The program includes field surveys, insect collection, and laboratory analysis to equip students with practical skills in pest identification.

Led by experienced faculty, Glocal University emphasizes the importance of integrated pest management and sustainable agriculture practices. This initiative not only enhances the students' ability to detect and address insect-related challenges but also contributes to promoting environmentally friendly approaches in agriculture. By integrating theory with practical fieldwork, Glocal University ensures that students are well-prepared to tackle real-world issues in the realm of pest management and crop protection.

Glocal University goes the extra mile to support handicraft students by facilitating their active participation in cultural meets. Recognizing the importance of inclusive cultural representation, the university organizes dedicated motivation sessions for handicraft students. These sessions aim to empower and inspire, instilling confidence and a sense of belonging.

The university provides resources and mentorship to help handicraft students showcase their skills in mainstream cultural events. By fostering an inclusive environment, Glocal University encourages the integration of diverse talents, creating opportunities for handicraft students to share their unique contributions during cultural meets. This commitment aligns with the university's ethos of promoting diversity, nurturing individual talents, and creating an inclusive educational space that celebrates the richness of cultural expression.

Glocal University is committed to fostering gender equality and empowering women's participation across academic and extracurricular realms. The university actively promotes an inclusive environment where women are encouraged to excel in their chosen fields. Initiatives such as mentorship programs, leadership workshops, and seminars on gender equality contribute to creating awareness and breaking barriers.

Glocal University prioritizes equal opportunities for women in education, research, and leadership roles. By organizing events that celebrate women's achievements, the university aims to inspire and motivate female students to pursue their aspirations without constraints. This dedication to gender equality aligns with Glocal University's broader vision of creating an educational ecosystem that values diversity, nurtures talent, and prepares all students for success in a socially equitable society.

Glocal University's commitment to community engagement is exemplified through its initiative where university students actively participate in teaching and interacting with junior students at local government schools. This collaborative effort aims to bridge educational gaps and foster a positive learning environment. Glocal students, serving as mentors, share their knowledge and experiences, providing valuable insights to their younger counterparts.

Through interactive teaching sessions, educational activities, and mentorship, Glocal University students contribute to the holistic development of local government school students. This initiative not only enriches the educational experience for both groups but also cultivates a sense of social responsibility among Glocal students. By fostering these interactions, the university actively contributes to the educational upliftment of the broader community, embodying its commitment to making a positive impact beyond the campus walls.

INTERNATIONAL PEACE DAY CELEBRATION

Glocal University passionately commemorates International Peace Day with a celebration dedicated to fostering global harmony and a peaceful environment. The event serves as a platform for students and faculty to come together in unity, emphasizing the importance of cross-cultural understanding and cooperation. Activities include seminars, cultural performances, and discussions focused on promoting peace at local and global levels.

Through these engagements, Glocal University aims to inspire a sense of shared responsibility for creating a world free from conflict. The celebration reinforces the university's commitment to nurturing not only academic excellence but also the values of tolerance, empathy, and peaceful coexistence. By actively participating in International Peace Day, Glocal University contributes to shaping socially responsible individuals who understand the significance of working together for a harmonious and peaceful future.

WORKSHOP ON “ASSESSING PERSONALITY AND INTELLIGENCE LEVEL OF SCHOOL CHILDREN”

Glocal University conducts impactful workshops dedicated to assessing the personality and intelligence levels of school children. These workshops provide valuable insights for educators, psychologists, and parents to understand and support the unique characteristics and potentials of each child. Led by experienced professionals, the sessions delve into contemporary assessment methodologies, emphasizing a holistic approach that goes beyond traditional academic metrics.

Participants gain practical skills in administering and interpreting various assessments, fostering a comprehensive understanding of children's cognitive and emotional development. The workshop encourages collaboration between academia and child development experts, aligning with Glocal University's commitment to advancing education and contributing to the well-rounded growth of the younger generation. By empowering professionals and caregivers with the tools to assess and nurture individual potentials, the university contributes to the creation of supportive learning environments for school children.

Glocal University celebrates Hindi Diwas with fervor, honoring the rich cultural heritage and linguistic diversity of India. The event is a vibrant tribute to the significance of the Hindi language as the mother tongue. The celebration includes a variety of activities such as poetry recitations, literary discussions, and cultural performances that showcase the beauty and importance of Hindi in our society.

Glocal University's Hindi Diwas celebration is not only a festive occasion but also a reflection of the university's commitment to promoting linguistic diversity and fostering a deep respect for mother languages. By actively participating in this celebration, the university reinforces the value of preserving and cherishing linguistic heritage, contributing to a campus culture that respects and celebrates the linguistic richness of the country.

UNDERSTANDING TEACHING – LEARNING IN PRATHMIK VIDYALAYA, MOHIDDINPUR VILLAGE, SAHARANPUR

Glocal University demonstrates its commitment to community engagement through a meaningful initiative where university students actively participate in teaching and interacting with junior students at Prathmik Vidyalaya in Mohiddinpur Village, Saharanpur. This collaborative effort aims to enhance the teaching-learning experience for local government school students. Glocal students serve as mentors, conducting engaging sessions, and facilitating interactive learning activities.

The program not only provides academic support but also fosters a positive and encouraging environment for the junior students. Through mentorship, Glocal University students contribute to the holistic development of their younger counterparts, emphasizing the importance of education and nurturing a spirit of learning within the local community. This initiative reflects Glocal University's dedication to making a positive impact on education at the grassroots level and fostering a sense of shared responsibility for the community's educational well-being.

Glocal University takes pride in its community outreach initiative, where university students actively engage in teaching and interacting with junior students at Prathmik Vidyalaya in Mayapur, Roop Pur, Uttar Pradesh. This collaborative effort seeks to enrich the teaching-learning experience for local government school students. Glocal students serve as dedicated mentors, conducting informative sessions, and facilitating interactive learning activities.

The program goes beyond traditional academics, emphasizing holistic development and fostering a positive learning environment. Through mentorship, Glocal University students contribute to the educational upliftment of their younger counterparts, instilling a passion for learning within the local community. This initiative reflects Glocal University's commitment to social responsibility, promoting education, and creating lasting positive impacts in the lives of students in Uttar Pradesh.

Glocal University hosts an empowering Youth Camp, a dynamic gathering that embodies the spirit of learning, leadership, and personal growth. This immersive experience brings together young minds in an environment that encourages self-discovery, teamwork, and skill development. The camp features a diverse range of activities, including workshops, interactive sessions, and outdoor challenges, fostering qualities such as communication, leadership, and resilience.

Led by experienced mentors and facilitators, the Youth Camp at Glocal University serves as a catalyst for building confidence and inspiring a sense of responsibility among participants. It provides a platform for networking, idea exchange, and the exploration of individual potential. This initiative aligns with the university's commitment to nurturing well-rounded individuals and preparing them for leadership roles in a rapidly evolving world.

**PUSTAK VITRAN, IN
PRATHMIK VIDYALAYA,
ROOPPUR BADSHAHI BAGH, SAHARANPUR**

Glocal University demonstrates its commitment to education and community welfare through a meaningful initiative of book distribution at local schools. This program involves providing students in nearby schools with essential educational materials, fostering a culture of reading and learning. Glocal University students actively participate in this initiative, distributing books to young learners to enhance their access to educational resources.

The book distribution program not only supports academic pursuits but also encourages a love for reading and knowledge acquisition within the local community. By actively contributing to the educational ecosystem of nearby schools, Glocal University aims to empower young minds and promote the importance of literacy. This initiative aligns with the university's broader mission of community engagement and creating positive social impact through education.

VISIT TO NATIONAL INSTITUTE OF VISUALLY HANDICAPPED, DEHRADUN

Glocal University organizes impactful visits to the National Institute of Visually Handicapped in Dehradun as part of its commitment to social inclusion and awareness. During these visits, students and faculty engage with the visually impaired community, gaining insights into their unique challenges and capabilities. The program includes interactive sessions, skill workshops, and discussions that aim to promote understanding, sensitivity, and support for the visually impaired.

Through these visits, Glocal University fosters a sense of empathy and inclusivity among its students, encouraging them to contribute positively to the lives of differently-abled individuals. The initiative aligns with the university's dedication to social responsibility and creating an educational environment that values diversity and promotes equal opportunities for all.

In 2022, Glocal University hosted a vibrant cultural event that mesmerized the audience with the theme of "Dancing Girl." The event showcased a spectacular display of talent, featuring captivating dance performances that celebrated the rich diversity of dance forms. Students, with their grace and skill, brought to life a tapestry of cultural expressions through various dance genres. The event not only highlighted the university's commitment to fostering creativity and cultural appreciation but also provided a platform for students to showcase their artistic prowess. The "Dancing Girl" cultural event at Glocal University was a delightful celebration of the beauty and dynamism of dance, leaving a lasting impression on everyone in attendance.

In 2022, Glocal University hosted an unforgettable cultural extravaganza that brought together the essence of music, dance, and singing. This vibrant event showcased the diverse talents of the university's students, featuring mesmerizing performances that spanned various genres and traditions. From soulful renditions of songs to captivating dance routines and skillful music playing, the stage came alive with a symphony of artistic expressions. The event not only celebrated the cultural diversity within the Glocal community but also provided a platform for students to showcase their creativity and passion for the performing arts. With enthusiastic participation and a lively atmosphere, the cultural event at Glocal University in 2022 was a testament to the university's commitment to nurturing talent and fostering a vibrant campus culture.

In 2022, Glocal University hosted an inspiring event that epitomized cross-cultural collaboration and women's empowerment. The event focused on fostering interaction between local and foreign students, providing a platform for meaningful conversations and mutual motivation. The occasion centered around empowering women through motivational talks, skill-sharing sessions, and active participation in various activities. It served as an enriching exchange of ideas, experiences, and perspectives, creating an atmosphere of mutual understanding and support. By promoting international collaboration and encouraging active engagement, Glocal University's event in 2022 not only celebrated diversity but also empowered women to thrive in a global community.

Glocal University orchestrated a dynamic convergence of cultures and athleticism through a spectacular event that blended sports and cultural festivities. The campus came alive with spirited competitions, showcasing the prowess of both international and domestic students. A harmonious fusion of diverse talents was on display, ranging from exhilarating sports tournaments to captivating cultural performances. This inclusive event not only promoted healthy competition but also fostered cross-cultural exchange and understanding among the student body. With an electrifying atmosphere and a celebration of talents from around the world, Glocal University's 2022 event exemplified the power of unity through sports and cultural diversity on its vibrant campus.

In 2022, Glocal University orchestrated a multifaceted event that encapsulated the essence of environmental consciousness and holistic well-being. The event, titled "Environment Quest," seamlessly integrated sports activities with a unique focus on expressing emotions and sentiments related to the environment. Participants engaged in environmentally themed sports activities, fostering a connection between physical wellness and ecological awareness. Additionally, a "Feeling Expression on Environment" segment allowed attendees to convey their sentiments about nature through various artistic mediums. This innovative event not only promoted a sense of responsibility towards the environment but also celebrated the fusion of physical activity and artistic expression in fostering a sustainable and mindful lifestyle among the Glocal University community.

In 2022, Glocal University hosted an engaging and informative orientation program, setting the stage for a new academic journey. The event welcomed fresh faces to the Glocal community, offering insights into campus life, academic programs, and various support services. Attendees were introduced to faculty members, campus facilities, and the university's ethos. Interactive sessions provided valuable resources and guidance on academic expectations, extracurricular activities, and campus policies. The orientation program at Glocal University in 2022 fostered a sense of belonging and empowerment among new students, equipping them with the knowledge and confidence to embark on a successful and fulfilling academic experience.

Glocal University curated an immersive orientation program, laying the foundation for an exciting academic journey. This event warmly embraced newcomers into the Glocal community,

offering comprehensive insights into campus life, academic offerings, and essential support services. Participants received firsthand introductions to esteemed faculty members, explored campus facilities, and absorbed the university's guiding principles. Through interactive sessions, attendees gained valuable resources, guidance on academic expectations, and a deeper understanding of campus policies. Glocal University's 2022 orientation program not only cultivated a profound sense of belonging but also empowered new students, providing them with the knowledge and confidence essential for a successful and enriching academic experience.

Glocal University meticulously designed an enriching orientation program, establishing the groundwork for a dynamic academic journey. This initiative warmly welcomed newcomers to the Glocal community, providing a comprehensive overview of campus life, academic offerings,

and vital support services. Participants had the opportunity to personally meet esteemed faculty members, explore campus facilities, and absorb the university's core principles. Interactive sessions were instrumental in equipping attendees with valuable resources, academic guidance, and a thorough understanding of campus policies. Glocal University's orientation program in 2022 went beyond fostering a sense of belonging; it actively empowered new students, arming them with the knowledge and confidence required for a successful and fulfilling academic experience.

In 2022, Glocal University organized a impactful event aimed at motivating junior students from nearby schools while championing environmental awareness and supporting the government's "Beti Bachao, Beti Padhao" campaign. The event involved engaging sessions to inspire young minds, emphasizing the importance of education for girls. Additionally, there were activities focused on environmental awareness, fostering a sense of responsibility towards nature. Glocal University, through this event, actively contributed to the community by aligning with national campaigns and instilling positive values in the younger generation, creating a holistic impact that went beyond academic boundaries.

In 2022, Glocal University dazzled with a spectacular cultural event, immersing the campus in a vibrant celebration of diversity and creativity. The event showcased a myriad of artistic expressions, including mesmerizing dance performances, soulful music, and captivating theatrical displays. Students from various backgrounds came together to share their cultural heritage, fostering unity and understanding. The audience was treated to a sensory feast, experiencing the richness of traditions from around the world. Glocal University's 2022 cultural event not only entertained but also reinforced the institution's commitment to cultural exchange, creating an atmosphere of inclusivity and appreciation for the diverse talents within the university community.

Glocal University showcased the incredible talents of its female students in a culturally enriching event. The Girls' Participation in the Cultural Fest highlighted the prowess, creativity, and cultural diversity of the university's women. From vibrant dance performances to soul-stirring musical renditions, the event was a celebration of the unique contributions of female students to the cultural fabric of the institution. It served as a platform for empowerment and recognition, encouraging girls to express themselves artistically and contribute meaningfully to the vibrant cultural landscape of Glocal University. The event not only celebrated talent but also underscored the importance of fostering an inclusive environment that amplifies the voices of women in cultural festivities.

In 2022, Glocal University extended a warm invitation to local school students, offering them a unique opportunity to participate in the Cultural Fest held on the university premises. This inclusive event provided a platform for young talents from neighboring schools to showcase their cultural and artistic flair. Students enthusiastically participated in diverse performances, including dance, music, and theatrical displays, adding vibrant colors to the festivities. Glocal University's commitment to community engagement was evident as the event not only fostered cross-school collaboration but also encouraged cultural exchange, creating a memorable and enriching experience for both university and local school students.

In 2022, the Glocal School of Business & Commerce at Glocal University organized a motivational event specifically designed to empower and encourage girls to actively participate in sports activities. The event focused on breaking gender stereotypes and fostering a culture of inclusivity in sports. Accomplished athletes and motivational speakers shared inspiring stories, emphasizing the importance of female participation in sports. Practical sessions and interactive workshops provided girls with the skills and confidence to engage in various sports. Glocal University's commitment to promoting gender equality was showcased through this event, creating an empowering environment that encouraged girls to excel in sports and embrace the numerous benefits of an active lifestyle.

In 2022, Glocal University hosted a dynamic sports extravaganza, showcasing a diverse array of athletic talents. The event featured thrilling cricket matches, lively bollyboll games, strategic carrom competitions, fast-paced badminton clashes, intense table tennis duels, and exhilarating racing events. Students from various disciplines enthusiastically participated, creating a vibrant atmosphere on the campus. The sports activities not only promoted physical fitness but also fostered teamwork, healthy competition, and a sense of camaraderie among the participants. Glocal University's commitment to a holistic student experience was evident as the event catered to a wide range of sporting interests, encouraging an active and balanced lifestyle among the university community.

In 2022, Glocal University hosted an enriching event showcasing its state-of-the-art science laboratories. The event provided students with hands-on experiences in cutting-edge laboratories dedicated to various scientific disciplines. From advanced physics experiments to intricate

biology studies, the laboratories served as dynamic spaces for exploration and discovery. Faculty and students collaborated in conducting experiments, fostering a culture of scientific inquiry and innovation. The event highlighted Glocal University's commitment to providing a robust scientific education, equipping students with practical skills and knowledge that extend beyond the classroom. Through this immersive laboratory experience, the university underscored its dedication to cultivating a passion for scientific research and exploration among its student body.

In 2022, Glocal University hosted a comprehensive event showcasing its outstanding facilities. Participants explored cutting-edge laboratories equipped with modern technology, fostering hands-on learning experiences. The event highlighted the university's robust infrastructure, including well-designed lecture halls, a vibrant cafeteria providing a conducive space for socializing, a fully-equipped gym promoting physical well-being, an on-campus ATM for convenience, and a well-stocked stationary facility catering to academic needs. Glocal University's commitment to providing a holistic and conducive environment for learning, recreation, and daily necessities was evident through this event, underlining its dedication to ensuring a well-rounded and enriching experience for its students and faculty.

Glocal University celebrated a significant step towards sustainability with an event highlighting its introduction of electric buses. The event showcased the university's commitment to environmental responsibility and cutting-edge technology. Attendees witnessed the unveiling of the electric buses, symbolizing a shift towards eco-friendly transportation within the campus. With zero emissions and advanced energy-efficient features, these buses reflected Glocal University's dedication to reducing its carbon footprint and promoting sustainable practices. The event not only marked a milestone in green campus initiatives but also served as a testament to

the university's proactive approach in embracing innovative solutions for a cleaner and greener future.

Glocal University proudly received the prestigious Certificate of Achievement as the Innovative University of the Year 2022 for Global Exposure from Academic Insights. This esteemed recognition underscores the university's commitment to fostering innovation and providing a globally enriched educational experience. Glocal's innovative initiatives have set a benchmark, offering students a diverse and dynamic learning environment with a focus on global perspectives. The award acknowledges the university's continuous efforts to elevate education

through cutting-edge practices, international collaborations, and a curriculum designed to prepare students for the challenges of a globalized world. This achievement solidifies Glocal University's position as a leader in higher education, dedicated to shaping forward-thinking individuals with a keen understanding of the interconnected and ever-evolving global landscape.

Glocal University took a significant step towards promoting green energy by introducing battery-powered vehicles on its campus. This initiative aimed to reduce the university's carbon footprint and contribute to sustainable transportation practices. The battery vehicles, with their eco-friendly design and zero emissions, symbolized Glocal's commitment to environmental responsibility. These vehicles not only provided convenient and efficient on-campus transportation but also served as a visible and impactful reminder of the university's dedication to embracing clean and green energy solutions. Glocal University's adoption of battery vehicles in

2022 reflects its proactive approach in aligning campus operations with eco-conscious principles, contributing to a healthier and more sustainable campus environment

Glocal University embraced a sustainable ethos in 2022, establishing a green campus adorned with rich biodiversity and a thoughtful water reservoir system. The campus became a thriving ecosystem with lush greenery, diverse flora, and a harmonious blend of natural elements. Strategically designed water reservoirs not only enhanced the aesthetic appeal but also contributed to water conservation efforts. These eco-conscious initiatives reflected Glocal University's commitment to environmental stewardship, providing students with a serene and eco-friendly learning environment. The green campus with its diverse biodiversity and water reservoirs not only symbolized the university's dedication to sustainability but also created a tranquil and inspiring setting that resonated with the principles of conservation and responsible campus management.

Glocal University prioritized energy efficiency in 2022 by implementing cutting-edge products such as energy-efficient air conditioning systems across its campus. The adoption of these environmentally conscious solutions reflects the university's commitment to sustainability and reducing its carbon footprint. The energy-efficient air conditioners not only provide a comfortable and conducive environment for learning but also contribute to conservation efforts by optimizing energy usage. Glocal University's proactive approach to incorporating eco-friendly technologies underscores its dedication to responsible campus management and aligning with global sustainability goals. The implementation of energy-efficient products exemplifies the institution's commitment to creating a greener and more environmentally conscious campus for the benefit of both its academic community and the planet.

have on the well-being and inspiration of its academic community.

Glocal University illuminated its pathways to sustainability with the implementation of solar lights, harnessing green energy for a brighter and eco-friendly campus. The strategic adoption of solar lighting not only enhances campus visibility but also symbolizes the university's commitment to renewable energy practices. By utilizing solar power, Glocal University reduces its carbon footprint and contributes to a more sustainable future. The solar lights serve as beacons of environmental consciousness, aligning with the institution's dedication to integrating innovative and eco-friendly solutions into its infrastructure. This initiative not only illuminates the way forward but also illuminates Glocal University's commitment to responsible energy practices and a greener tomorrow.

Glocal University proudly exhibits a campus designed with an emphasis on water soaking capacity, creating lush green areas that thrive in harmony with the environment. The landscape is thoughtfully structured to maximize water absorption, reducing runoff and promoting sustainable water usage. This innovative approach not only enhances the resilience of the green areas but also contributes to water conservation efforts. The campus stands as a living example of Glocal University's commitment to ecological balance, where the fusion of sustainable design and verdant greenery creates a harmonious and resilient environment. Through strategic landscaping that prioritizes water soaking capacity, the university is not only cultivating a visually stunning campus but also championing responsible and eco-conscious practices.

Glocal University embraced energy efficiency with the adoption of appliances like refrigerators boasting a coveted five-star rating. This initiative aligns with the university's commitment to sustainable practices and reducing its carbon footprint. The implementation of energy-efficient refrigerators not only ensures optimal cooling performance but also contributes significantly to lower energy consumption. By choosing appliances with a five-star rating, Glocal University demonstrates its dedication to responsible energy usage, promoting a greener and more eco-friendly campus. This forward-thinking approach not only enhances operational efficiency but also sets a precedent for environmentally conscious choices within the university community, fostering a culture of sustainability and responsible resource management.

Glocal Law School at Glocal University orchestrated an impactful Intellectual Property Rights (IPR) Awareness Program, enlightening students and faculty on the significance of safeguarding intellectual creations. In this event, legal experts and industry professionals shared insights into the nuances of intellectual property, including patents, trademarks, and copyrights. The program aimed to cultivate a profound understanding of legal frameworks governing intellectual assets, fostering an environment of respect for innovation and creativity. Through engaging workshops, discussions, and expert-led sessions, Glocal Law School not only heightened awareness about IPR but also equipped participants with the knowledge to navigate the complexities of protecting intellectual endeavors. This initiative underscores Glocal University's commitment to providing comprehensive legal education and cultivating a community attuned to the significance of intellectual property in today's dynamic world.

बेटियों की शादी और गरीबों को बांटे जाएंगे कंबल : मो. इकबाल

सहारनपुर में मिर्जापुर स्थित ग्लोकल यूनिवर्सिटी में चांसलर हाजी इकबाल को मुबारकबाद देते प्रोफ़ेसर ।

सहारनपुर | संवाददाता
ग्लोकल यूनिवर्सिटी में कुलाधिपति का जन्मदिन धूमधाम से मनाया। कुलाधिपति ने बेटियों की शादी व गरीबों को कंबल बांटने की घोषणा की। कुलाधिपति हाजी मोहम्मद इकबाल, उप कुलपति प्रोफेसर सतीश शर्मा, उप कुलपति, रजिस्ट्रार इंचार्ज प्रोफेसर नरेश कुमार गुप्ता और समस्त स्टाफ ने केक काटा। उप

कुलपति प्रो. सतीश शर्मा ने कहा कि जिन उद्देश्यों की पूर्ति के लिए ग्लोकल विश्वविद्यालय की स्थापना चांसलर द्वारा की गई है, प्रत्येक स्टाफ उस उद्देश्य की पूर्ति के लिए कार्यशील है। रजिस्ट्रार इंचार्ज प्रोफेसर नरेश कुमार गुप्ता, डॉ. वीर नारायण, प्रो. डीपी पाटिल, प्रो. अब्दुल मलिक, सोनू कुमार, विपिन कुमार, अलीम, डा. संजय रहे।

Glocal University, in a heartwarming gesture of social responsibility, organized an event dedicated to supporting the weaker sections of society. The initiative included the distribution of blankets in winter-prone areas, ensuring warmth and comfort for those in need. In addition, the university extended financial support to facilitate a mass marriage ceremony, exemplifying its commitment to social welfare and community upliftment. This thoughtful event not only

addressed immediate needs by providing essential winter supplies but also contributed to the long-term well-being of the community by supporting the celebration of marriages. Glocal University's holistic approach to community engagement underscores its dedication to creating a positive impact beyond academic realms, actively participating in initiatives that enhance the lives of individuals in the broader society.

Glocal University is at the forefront of sustainable practices with the integration of energy-saving batteries to complement its green initiatives. By utilizing advanced battery technology, the university optimizes energy consumption, contributing significantly to its commitment to environmental conservation. This strategic implementation not only enhances energy efficiency but also supports the campus's lush greenery. The adoption of energy-saving batteries aligns seamlessly with Glocal University's dedication to a greener and eco-conscious campus. This forward-thinking approach not only exemplifies responsible resource management but also underscores the institution's role as a steward of the environment, paving the way for a more sustainable and energy-efficient future.

Glocal University champions sustainability with a strategic embrace of solar energy, seamlessly merging energy efficiency with a commitment to green practices. Harnessing the power of solar technology, the university not only contributes to significant energy savings but also promotes a greener campus. Solar panels efficiently convert sunlight into electricity, offering a clean and renewable energy source that aligns with Glocal University's dedication to environmental responsibility. This holistic approach underscores the institution's commitment to reducing its carbon footprint while fostering a vibrant and eco-friendly environment. Through the integration of solar energy solutions, Glocal University exemplifies the transformative impact of innovative technologies in creating a sustainable and green future.

Glocal University is actively engaged in a robust tree plantation initiative aimed at fostering rich biodiversity and enhancing the campus ecosystem. The strategic planting of diverse tree species contributes to the creation of a thriving and balanced natural environment. Beyond the aesthetic appeal, this endeavor plays a pivotal role in supporting local flora and fauna, providing habitats for various species. Glocal University's commitment to tree plantation extends beyond mere landscaping; it is a deliberate strategy to enrich the campus ecosystem. By promoting biodiversity, the university actively contributes to the health of the surrounding environment,

creating a harmonious balance that aligns with principles of ecological sustainability and underscores the institution's commitment to being a responsible steward of the natural world.

Glocal University takes pride in its commitment to environmental sustainability through a comprehensive green plantation initiative. Strategically planting a variety of trees and plants across the campus, the university creates a vibrant green landscape. This initiative not only enhances the aesthetic appeal of the surroundings but also plays a crucial role in fostering biodiversity and mitigating the campus's carbon footprint. Glocal University's green plantation efforts showcase a dedication to ecological responsibility, providing a conducive and eco-friendly atmosphere for its academic community. Through thoughtful landscaping and conscious environmental practices, the university actively contributes to creating a greener, healthier, and more sustainable campus environment.

Glocal University commemorated Uttar Pradesh Divas with a profound event centered on the pivotal role of Uttar Pradesh in India's struggle for independence. Under the theme "Bharat ki Swatantrata mein Uttar Pradesh ki Bhoomika," the event delved into the historical significance of the state during the freedom movement. Through engaging discussions, presentations, and cultural reflections, the occasion celebrated the rich heritage and contributions of Uttar Pradesh in shaping the nation's quest for independence. Glocal University's observance of Uttar Pradesh Divas not only honored the state's historical legacy but also fostered a deeper understanding and appreciation of its enduring role in India's journey towards freedom.

One Week Faculty Development Programme

(Organized by Department of Computer Science and Engineering in collaboration with IQAC, Glocal University) on

Applications of Data Science and IoT in Healthcare, Social Care and Business Aspects

February 2nd-8th, 2022 | 3:00 PM to 5:00 PM.

About Glocal University

Glocal's self-contained campus is spread across 350+ acres. It is situated close to the urban industrial cities of Saharanpur and Dehradun. The university is approximately a two hours by car from Dehradun's Jolly Grant Airport. It is situated in the foothills of Shivalik mountains. The University is a non-profit university established by the Uttar Pradesh Private Universities Act, 2011, (U.P. Act no. 2 of 2012) and is recognized by University Grant Commission. In keeping with its vision of *Global Carveass, Local Colours*, the name is a portmanteau of **global** and **local**. The university's 14 major schools offer more than 50 UG, PG, PhD programs and Professional courses.

Glocal University makes sure that the programmes offered in the curriculum and outside the curriculum include contribution to national development, fostering global competencies among students, inculcating a value system among students, promoting the use of technology and quest for excellence. With its strong commitment to achieve excellence in basic and applied research work, Glocal University has developed some new laboratories in last few years to explore in scientific innovations and technological frontiers. A 3G to 5G laboratory has been established to carry out cutting-edge research and to train students in current technologies. All ICT initiatives are supported by a ubiquitous data network with connectivity from multiple Internet Service Providers for high bandwidth, uninterrupted and fail-safe access to the Internet.

About the FDP

- This FDP is aimed to equip the participants with the knowledge of Data Science and IoT with hands on training that can help academicians and research scholars to develop their skills in the cutting edge technology. This FDP will provide a platform to present and discuss the techniques and the latest developments in the area of Data Science and IoT with their applications in Healthcare. Further how these evolving technologies can be utilized for Social Care and for Business in the Healthcare sector.
- **Objective :**
 - This course is designed to provide an exposure to the fundamentals of Data Science, IoT and Machine Learning Techniques for Healthcare, Social Care and Business analysis.
 - To understand the ability of a computer to learn a specific task from data analysis for Healthcare, Social Care and Business domain.
 - The role of Data science and its application in the Healthcare, Social Care and their business aspects.
 - To discuss various methodologies to accumulate medical, social and their business data through IoT / Machine Learning.
- **Indentation :**
 - To understand the role & importance in the development of Healthcare.
 - Discuss the approaches and methodologies accumulating data through IoT, Machine Learning and AI.
 - How to use the Data Science to analyze data accumulated through IoT.
- **Outcomes :**
 - To provide a better solutions for Healthcare, Social Care and their Business aspects in the field of Healthcare sector.
 - To analysis the data of Healthcare, Social Care in efficient manner for better decisions.
 - This FDP orients the teachers for a technology-rich future and keeps up with the change by adopting effective strategies for carryout of data analysis that infuse lessons with appropriate data science tools.

Resource Persons and Programme Schedule

Chief Scientist
Wegrow Private Limited
Bhubaneswar, Odisha
Topic : Innovation Incubation Startup & Intellectual Property Rights.
Lecture Date : Feb 8th, 2022. |

The Faculty Development Program (FDP) at Glocal University focused on the application of Data Science and Internet of Things (IoT) in healthcare, social care, and business aspects. The program aimed to equip faculty members with cutting-edge knowledge and skills to integrate these technologies into their teaching and research.

During the FDP, participants engaged in hands-on workshops, interactive sessions, and case studies to understand the practical implementation of Data Science and IoT in diverse sectors. The healthcare module explored predictive analytics for disease diagnosis and personalized treatment plans. In the social care segment, participants learned about data-driven strategies for social impact and community development. The business aspect covered applications such as market trend analysis, customer behavior prediction, and supply chain optimization.

This FDP not only enhanced the faculty's expertise in emerging technologies but also fostered interdisciplinary collaboration and innovation across various academic domains.

Glocal University paid tribute to the legendary freedom fighter Netaji Subhas Chandra Bose on his birth anniversary with a commemorative event. The occasion, marking Netaji Jayanti, was a solemn reflection on the life and contributions of this iconic leader in India's struggle for independence. The event at Glocal University included insightful discussions, inspirational talks, and cultural programs that highlighted Netaji's indomitable spirit, leadership qualities, and unwavering dedication to the cause of freedom. Through this commemoration, the university

aimed not only to honor the legacy of Netaji Subhas Chandra Bose but also to inspire the academic community with his ideals of patriotism, courage, and resilience.

Glocal Incubation Center at Glocal University orchestrated a comprehensive orientation session on entrepreneurship and incubation. The event aimed to empower aspiring entrepreneurs with insights into the entrepreneurial ecosystem and the resources available at the incubation center. Participants gained valuable knowledge on business ideation, startup development, and the various support services offered. The orientation fostered an understanding of the incubation process, mentoring opportunities, and access to industry networks. Through this initiative, Glocal University reaffirmed its commitment to nurturing innovation and fostering a culture of entrepreneurship among its students and the wider community, providing a robust foundation for turning innovative ideas into successful ventures.

Glocal University conducted a impactful Community Outreach Program reaching out to local school students. The initiative aimed to bridge the gap between the university and the surrounding community by engaging with young learners. Through interactive sessions, workshops, and educational activities, Glocal University sought to inspire and motivate the students to explore educational opportunities and aspire for higher learning. The program not only provided valuable insights into various academic disciplines but also emphasized the importance of education for personal and community development. Glocal University's commitment to community engagement was evident in this endeavor, fostering a positive and mutually beneficial relationship with the local schools and contributing to educational empowerment in the region.

Glocal University spearheaded a impactful Community Outreach Program directed towards local school students, with the primary goal of narrowing the divide between the university and the neighboring community. This initiative involved interactive sessions, workshops, and educational activities, designed to inspire and encourage young learners to consider higher education. Beyond offering insights into diverse academic disciplines, the program underscored the significance of education for both personal growth and community development. Glocal

University's unwavering commitment to community engagement was clearly demonstrated in this endeavor, fostering a positive and mutually beneficial relationship with local schools and actively contributing to educational empowerment in the region.

Glocal University celebrated the Fresher Party 2022 with vibrant enthusiasm and excitement, marking the initiation of new students into the university's dynamic academic community. The event was a lively affair, featuring engaging activities, music, and cultural performances that provided a warm welcome to the fresh faces. Organized by existing students and faculty, the Fresher Party created a platform for new and returning students to connect, fostering a sense of camaraderie and inclusion. The festive atmosphere and spirited interactions set the stage for a memorable beginning to the academic journey, ensuring that the newcomers felt embraced and part of the Glocal University family from the outset.

Prof. (Dr) Pankaj Kumar Mishra
Pro-Vice Chancellor

GLOCAL UNIVERSITY

is celebrating

National Education Day 2022

—11 November—

BIRTH ANNIVERSARY OF MAULANA ABUL KALAM AZAD

SESSION ON

HIGHLIGHTS OF NEP 2020

Under the aegis of IQAC, Glocal University by The DSW Team

Glocal University celebrated National Education Day 2022 with an enlightening session focused on highlighting the key aspects of the National Education Policy (NEP) 2020. The event aimed to raise awareness and foster discussions about the transformative changes introduced in the education sector by the NEP. Faculty, students, and education enthusiasts participated in engaging conversations that delved into the innovative features of the policy, such as the 5+3+3+4 structure, Academic Bank of Credits, and the emphasis on holistic development. By organizing this session, Glocal University demonstrated its commitment to staying abreast of educational reforms and providing a platform for the academic community to understand and discuss the implications of such policies on the future of education.

Glocal University facilitated a dynamic and insightful Higher Education Discussion, providing a platform for meaningful discourse on the evolving landscape of tertiary education. This event brought together academia, administrators, and thought leaders to delve into contemporary challenges, innovative practices, and future trends shaping higher education. Participants engaged in vibrant discussions covering topics such as curriculum design, technological integration, student engagement, and global collaboration. The Higher Education Discussion at Glocal University served as a catalyst for exchanging ideas, fostering collaborative initiatives, and envisioning a progressive and inclusive future for higher education. The event reflected the university's commitment to staying at the forefront of educational innovation and ensuring a holistic and enriching academic experience for its community.

Glocal University orchestrated an engaging and thought-provoking forum, the Higher Education Discussion, fostering a platform for insightful conversations about the ever-evolving landscape of tertiary education. Convening academia, administrators, and influential thought leaders, this event provided an opportunity to explore contemporary challenges, innovative practices, and upcoming trends that are shaping the future of higher education. Dynamic discussions encompassed diverse topics, including curriculum design, technological integration, student engagement, and fostering global collaborations. Serving as a catalyst for idea exchange and collaborative ventures, the Higher Education Discussion at Glocal University underscored the institution's dedication to leading educational innovation. It showcased a commitment to envisioning a progressive and inclusive future for higher education, ensuring a comprehensive and enriching academic experience for the entire university community.

World Tuberculosis Day 2022 Glocal College of Paramedical Science and Research Center (GCPSRC), Glocal University organized an awareness programme on the occasion of 'World Tuberculosis Day' on March 24, 2022 at Medical Auditorium. The theme of the 'World Tuberculosis Day 2022' was 'Invest to End TB. Save Lives'. This event was a grand success with the participation of students and faculty members from many Schools and colleges.

The Community Engagement Event at Glocal University in 2022 was a resounding success, achieving its objectives of fostering collaboration, providing educational enrichment, and promoting community well-being. The event strengthened the ties between the university and the local community, reinforcing Glocal University's commitment to social responsibility and community engagement. The positive impact on local school students and the collaborative spirit exhibited during the event highlight the potential for future endeavors in community development and education.

This report serves as a testament to the dedication of Glocal University in contributing to the holistic development of its surrounding community.

In 2022, Glocal University played a pivotal role in promoting the Uttar Pradesh government's schemes aimed at societal development. The university actively engaged with and supported initiatives designed to uplift communities and enhance public welfare in the region. Through collaborative efforts, Glocal University facilitated awareness campaigns, workshops, and information sessions to educate the local populace about the various government schemes available. By leveraging its academic and outreach resources, the university contributed significantly to bridging the information gap and empowering residents to access the benefits provided by the Uttar Pradesh government. This strategic alignment between Glocal University

and government initiatives showcased a commitment to social responsibility, fostering a positive impact on the community and contributing to the overall betterment of Uttar Pradesh.

In 2022, Glocal University organized a dynamic Education Boosting Program at a local school, epitomizing its dedication to community development. The program aimed to enhance educational outcomes by providing tailored support to local students. Glocal University faculty and student volunteers collaborated to offer specialized workshops, tutoring sessions, and interactive learning experiences. The initiative not only bolstered academic skills but also cultivated a positive and engaging learning environment. Through this program, Glocal University demonstrated its commitment to bridging educational gaps and empowering the local community. The event's impact extended beyond the classroom, fostering a sense of shared commitment to educational excellence and laying the foundation for ongoing collaboration between the university and the local school.

In 2022, Glocal University hosted a highly impactful Career Counseling Session for its students, reflecting the institution's commitment to providing comprehensive support for academic and professional development. The event, tailored to address the diverse career aspirations of Glocal University students, featured expert speakers, alumni panels, and interactive workshops. Attendees gained valuable insights into various career paths, industry trends, and received personalized guidance to make informed decisions about their future endeavors. The Career Counseling Session showcased Glocal University's dedication to nurturing the holistic growth of its students, equipping them with the knowledge and resources necessary for successful and fulfilling careers. The event not only provided practical guidance but also fostered a sense of empowerment and confidence among the university's student body, emphasizing the institution's role in shaping well-rounded, career-ready individuals.

Gender Sensitization

Glocal University is committed to fostering a diverse and inclusive campus environment, and as part of this commitment, significant efforts have been directed towards promoting women equality, gender sensitization, and supporting the national initiative of Mission Shakti. This cumulative report provides an overview of the initiatives undertaken and their impact on the Glocal University community.

Women Equality:

Glocal University has prioritized women equality through various programs and policies. The university's leadership recognizes the importance of providing equal opportunities for all and ensuring a safe and supportive environment for women on campus. Initiatives include:

1. Equal Opportunities Policy: Glocal University has implemented a comprehensive equal opportunities policy that ensures fair treatment, equal pay, and opportunities for career growth for all faculty and staff, irrespective of gender.
2. Women Empowerment Workshops: Regular workshops and seminars are organized to empower female students and staff. These workshops focus on leadership development, career guidance, and building self-confidence.
3. Inclusive Curriculum: The university has taken steps to incorporate gender-sensitive content into the curriculum. This approach helps create awareness and understanding of gender-related issues among students.

Mission Shakti:

Glocal University aligns with the national initiative of Mission Shakti, which aims to empower women and ensure their safety and dignity. The university actively supports this mission through the following measures:

1. Self-Defense Workshops: Glocal University organizes self-defense workshops for female students and staff, empowering them with the skills and confidence to protect themselves.
2. Awareness Drives: Regular awareness drives are conducted to educate the community about the objectives and importance of Mission Shakti. These initiatives encourage active participation and support from the Glocal University community.

Gender Sensitization:

To foster a culture of gender sensitization, Glocal University has implemented several awareness campaigns and training programs aimed at creating a more inclusive and respectful community:

1. Gender Sensitization Workshops: The university regularly conducts workshops for students and staff to promote awareness and sensitivity towards gender-related issues. These workshops cover topics such as consent, stereotypes, and inclusivity.
2. Diversity and Inclusion Committees: Glocal University has established committees focused on diversity and inclusion. These committees actively work towards addressing any gender-related concerns and ensuring a safe space for everyone.
3. Awareness Campaigns: Social media campaigns, posters, and interactive sessions are organized to educate the community on the importance of gender sensitivity. These campaigns encourage open dialogue and challenge stereotypes.

In 2022, Glocal University hosted a vibrant Cultural Event that celebrated diversity and talent within its student community. The event showcased a rich tapestry of performances, including music, dance, and artistic displays, highlighting the university's commitment to fostering a culturally enriched campus environment. Students enthusiastically participated, infusing the event with energy and creativity. The culmination of the festivities was marked by a spirited competition, where individuals and groups competed for top honors. The winners, chosen through a rigorous evaluation process, demonstrated

exceptional skill and creativity, embodying the spirit of unity through cultural expression. This Cultural Event not only provided a platform for students to showcase their talents but also promoted inclusivity and appreciation for various cultural backgrounds, enhancing the overall university experience in 2022.

In 2022, Glocal University hosted a captivating event that seamlessly blended handicraft work and cultural festivities, creating a unique and enriching experience for its students and community. The event showcased the artistic talents of students who presented a stunning array of handcrafted creations, ranging from traditional artifacts to contemporary designs. The handicraft exhibition was not only a testament to the creativity within the university but also provided a platform for students to express their cultural influences through artistic endeavors. Complementing the exhibition, a cultural event unfolded with performances reflecting the diversity of the student body, including traditional dances, musical performances, and theatrical displays. This fusion of handicraft work and cultural celebration not only highlighted the artistic prowess of Glocal University students but also promoted cross-cultural understanding and appreciation. The event, resonating with the spirit of unity in diversity, left a lasting impression on the community, fostering a sense of pride and shared cultural heritage within the university.

In 2022, Glocal University organized an exhilarating Sports Event that brought together students in a spirited showcase of athleticism and camaraderie. The event featured a diverse range of sporting activities, including track and field events, team sports, and friendly competitions. Students displayed exceptional skill, determination, and sportsmanship throughout the event, creating an electrifying atmosphere on campus. The Sports Event not only served as a platform for healthy competition but also encouraged teamwork, discipline, and physical fitness among the participants. The winners, recognized for their outstanding performances, became a source of inspiration for the entire university community. This sports extravaganza not only contributed to the overall well-being of students but also strengthened the sense of community and pride within Glocal University, making the 2022 Sports Event a memorable and impactful experience for all.

In 2022, Glocal University organized a comprehensive Health Awareness Program, underscoring its commitment to the holistic well-being of its student body. The event featured a series of informative sessions, workshops, and health check-ups aimed at promoting a proactive approach to personal health. Faculty members, along with healthcare professionals, shared valuable

insights on nutrition, exercise, mental health, and preventive healthcare measures. Students actively participated in discussions and engaged in health screenings, fostering a culture of awareness and responsibility towards one's well-being. The Health Awareness Program not only provided practical health tips but also encouraged a dialogue on prioritizing mental and physical health. By addressing various aspects of wellness, the event contributed to creating a healthier and more informed university community in 2022, emphasizing Glocal University's dedication to nurturing not just academic excellence but also the overall health and wellness of its students.

In 2022, Glocal University hosted a commendable Blood Donation Program, exemplifying its commitment to community service and social responsibility. The event drew enthusiastic participation from students, faculty, and staff who willingly contributed to this life-saving initiative. Organized in collaboration with local healthcare authorities, the program provided a platform for the university community to make voluntary blood donations. The collective efforts resulted in a substantial

contribution to the local blood bank, potentially saving numerous lives. The event not only highlighted Glocal University's dedication to making a positive impact beyond its academic pursuits but also emphasized the significance of altruism and solidarity within the university community. The Blood Donation Program in 2022 exemplified the university's ethos of giving back to society, fostering a sense of compassion and shared responsibility among its members.

In 2022, Glocal University continued to prioritize the well-being of its students by enhancing its medical and laboratory facilities. The university invested in state-of-the-art equipment and technologies, fostering an environment conducive to both learning and healthcare. The medical facility saw improvements in terms of accessibility and services, ensuring prompt and quality healthcare for students. Moreover, the laboratory facilities were upgraded to meet the evolving educational needs, allowing students to engage in hands-on, experiential learning. The commitment to providing top-notch medical and laboratory resources underscored Glocal University's dedication to creating a

comprehensive and supportive educational environment. This initiative in 2022 not only reflected the university's focus on academic excellence but also demonstrated its commitment to the overall health and educational experience of the student community.

Glocal University underscored its dedication to community well-being through the implementation of an extensive Health Checkup Program tailored for local residents. Embracing inclusivity, the university welcomed individuals from the neighboring areas, extending the opportunity for complimentary health

checkups and consultations. Supported by skilled healthcare professionals and advanced medical equipment, the program effectively addressed diverse health concerns and provided valuable preventive care guidance. Beyond the immediate focus on diagnosis and treatment, Glocal University's initiative aimed to cultivate health awareness throughout the local community. This endeavor highlighted the institution's commitment to social responsibility and active community involvement, nurturing a healthier and more enlightened local populace. The impact of Glocal University's Health Checkup Program in 2022 resonates as a testament to its pivotal role in fostering positive change, extending far beyond the realm of academic pursuits.

In 2022, Glocal University orchestrated a dynamic Lab Demonstration Program for its students, aiming to augment the educational experience through hands-on learning. The program featured engaging demonstrations across various disciplines, providing students with practical insights into their coursework. Faculty members utilized cutting-edge equipment and interactive methodologies to elucidate complex concepts, fostering a deeper understanding of the subject matter. The Lab Demonstration Program not only enhanced the students' theoretical knowledge but also instilled a sense of curiosity and scientific inquiry. By bringing theoretical concepts to

life, Glocal University's initiative in 2022 exemplified its commitment to providing a comprehensive and enriching educational environment, preparing students for real-world applications of their academic pursuits.

In 2022, Glocal University commemorated World Tuberculosis Day with a thoughtful and impactful series of events. Recognizing the global significance of tuberculosis awareness, the university organized informative sessions, awareness campaigns, and interactive discussions to shed light on the challenges posed by this infectious disease. Faculty members, healthcare professionals, and students actively participated in the events, emphasizing the importance of early detection, prevention, and treatment.

Glocal University's commitment to public health and community well-being was evident through the dissemination of crucial information about tuberculosis. The event not only served as a platform to raise awareness but also fostered a sense of responsibility among the university community to contribute to the global fight against tuberculosis. In 2022, Glocal University's observance of World Tuberculosis Day resonated as a significant step towards creating a well-informed and socially conscious community.

Glocal University's G20 Awareness Competitions

On August 24, 2022, Glocal University took a proactive step in fostering awareness about the G20 summit through a series of competitions. The event, hosted in the Seminar Room, featured three engaging competitions: On-the-Spot Painting, Essay Writing, and Speech Competitions. Each competition revolved around diverse aspects of G20 initiatives, encouraging participants to delve into global issues and economic development.

Enthusiasm and active participation marked the competitions, with students passionately engaging in expressing their perspectives on themes ranging from Indian culture and the digital economy to economic growth, green growth, and sustainable agriculture practices. This thoughtful approach allowed participants to select themes of personal interest and relevance, enhancing the depth of their engagement.

The competitions, conducted in both Hindi and English, provided students with the flexibility to express themselves in the language they were most comfortable with. For the painting and essay

writing competitions, students were encouraged to bring their own stationery, ensuring they had the necessary tools to articulate their thoughts creatively.

The G20 Awareness Competitions achieved their intended purpose, effectively generating awareness about the G20 summit and its thematic areas. By prompting students to explore and express their perspectives on global issues and economic development, the event provided a valuable platform for critical thinking. External G20 Ambassadors were poised to award the winners, adding significance to the occasion and highlighting the importance of global awareness at Glocal University."

Drug Abuse

Glocal University undertook a comprehensive campaign started on 14th September 2022 dedicated to raising awareness about the hazards of drug abuse and cultivating a culture of a drug-free society. Orchestrated by the Dean of Students Welfare (DSW), this two-week initiative sought to foster meaningful discussions within the campus community on the perils of substance abuse.

The fortnight unfolded with a diverse array of activities, discussions, and initiatives strategically designed to educate and engage students, faculty, and staff on the detrimental consequences of drug abuse. Key highlights of the event included a series of workshops and seminars conducted by experts in the field of addiction and substance abuse. These knowledgeable professionals shared insights into the physical, psychological, and societal repercussions of drug abuse, dispelling myths and fostering a deeper understanding.

Throughout the fortnight, interactive discussions were actively encouraged, providing participants with a platform for open dialogues on the profound impact of drug abuse on individuals and communities. These discussions played a crucial role in promoting empathy, understanding, and support for those affected by addiction.

Report on the Debate and Speech Competition in Commemoration of the Birth Anniversary of Dr. Babasaheb Bheemrao Ambedkar

On April 18, 2022, Glocal Law School and the Department of Student Welfare (DSW) joined forces to organize a compelling "Debate and Speech Competition" in honor of the Birth Anniversary of Dr. Babasaheb Bheemrao Ambedkar. The event unfolded in the Medical Auditorium, commencing at 11:00 AM, and witnessed enthusiastic participation from students, faculty, and staff members.

This occasion served as a significant tribute to the legendary Dr. B.R. Ambedkar, whose profound contributions to democracy and social equality remain invaluable. The competition comprised two categories: Debate and Speech, both delving into thought-provoking topics related to Dr. B.R. Ambedkar's life, work, and ideas.

Debate Topics:

1. Dr. B.R. Ambedkar – A Greatest Thinker on Democracy
2. Dr. B.R. Ambedkar's Ideas of Social Equality

Speech Topics:

1. Dr. B.R. Ambedkar – As a Socio-Political Reformer
2. Dr. B.R. Ambedkar's Reflection on the Hindu Social System vis-a-vis Untouchability

The competition sparked spirited discussions and eloquent speeches, reflecting a profound understanding and respect for Dr. B.R. Ambedkar's vision. Participants shared insightful perspectives, paying homage to the great social reformer. The event culminated with the recognition of winners through the presentation of Mementos and Cash Prizes in acknowledgment of their exceptional performances. All participants received Certificates of Participation, symbolizing appreciation for their active involvement.

Our sincere gratitude goes to the Patron of the event, Prof. (Dr.) Satish Kumar Sharma, the Pro-Vice-Chancellor of Glocal University, Saharanpur, for his steadfast support and encouragement. We also extend our thanks to Ms. Swarnima Singh, the Convener of the event from DSW, and

Dr. Aateka Bano, the Co-Convener and Head of School at Glocal Law School, for their dedication and commitment, ensuring the success of this commemorative event."

National Education Day

In honor of Maulana Abul Kalam Azad's birth anniversary, Glocal University observed National Education Day on November 11, 2022. The occasion was marked with a special talk session on the Highlights of the National Education Policy (NEP) 2020, presented by the esteemed Prof. Dr. Pankaj Kumar Mishra. The DSW team extended warm greetings to the Glocal University community, inviting them to participate in the celebration of National Education Day. The day commemorates the vision and contributions of Maulana Abul Kalam Azad, a key architect of education in post-independent India. The focal point of the event was the enlightening talk session delivered by Prof. Dr. Pankaj Kumar Mishra. The session provided insights into the key highlights and objectives of the National Education Policy 2020, a landmark initiative aimed at transforming the education landscape in the country. The Medical Auditorium served as a conducive space for intellectual discourse, fostering an environment of learning and reflection. Prof. Dr. Pankaj Kumar Mishra presented an overview of the National Education Policy 2020, emphasizing its significance in shaping the future of education in India. The talk delved into the core objectives and transformative reforms envisaged by NEP 2020, covering aspects such as curriculum development, teacher training, and the integration of technology in education. The session included an engaging question and answer interaction, allowing attendees to seek clarifications and gain a deeper understanding of the policy. The National Education Day celebration at Glocal University provided a platform to reflect on the contributions of Maulana Abul Kalam Azad and gain valuable insights into the transformative National Education Policy 2020. Prof. Dr. Pankaj Kumar Mishra's informative talk contributed to fostering a culture of educational excellence and innovation.

Glocal University's Impact on Sustainable Development Goals (SDGs)

Striving Towards a Sustainable Future

In line with our commitment to global sustainability, Glocal University is proud to showcase our dedicated involvement in four critical Sustainable Development Goals (SDGs). Our initiatives transcend academia, actively contributing to SDG 1 - No Poverty, SDG 2 - Zero Hunger, SDG 3 - Good Health and Wellbeing, SDG 15 - Life on Land and SDG17 - Partnerships for the Goals.

SDG 1 - No Poverty: Through targeted educational programs, skill development initiatives, and community outreach, Glocal University is working tirelessly to alleviate poverty and empower individuals for a brighter future.

SDG 2 - Zero Hunger: Our agriculture and nutrition-focused projects aim to address hunger at its roots. By promoting sustainable farming practices, community gardens, and nutritional education, we're actively contributing to achieving Zero Hunger.

SDG 3 - Good Health and Wellbeing: Glocal University prioritizes the health and wellbeing of our community. From health education programs to on-campus wellness initiatives, we strive to create an environment where everyone can thrive physically and mentally.

SDG 15 - Life on Land: Recognizing the importance of biodiversity and ecosystem preservation, Glocal University is engaged in initiatives that promote sustainable land use, afforestation, and conservation efforts, ensuring a harmonious coexistence with nature.

SDG17 - Partnerships for the Goals:

SDG 1 – NO POVERTY

GLOCAL UNIVERSITY

INDIA

2022

SDG 1 – NO POVERTY

The introduction of SDG 1 underscores the urgency for universities to actively engage in poverty alleviation. By leveraging research, financial aid, and educational initiatives, universities can make significant strides in eradicating extreme poverty. The outlined metrics and indicators provide a comprehensive framework for assessing progress and aligning university efforts with the broader global agenda for sustainable development. As institutions dedicated to knowledge dissemination and societal betterment, universities stand poised to be powerful agents of change in the pursuit of SDG 1.

1.1 Research on Poverty: In the context of SDG 1, research on poverty serves as a foundational pillar for understanding and addressing the complexities of extreme poverty. This component emphasizes the collaboration between universities and low or lower-middle-income countries in producing scholarly work. The goal is to generate knowledge that informs effective strategies for poverty alleviation. Metrics for research may include papers co-authored with countries facing economic challenges and assessing the quality of poverty-focused research output through citations received.

1.2 Financial Aid to Students for Poor Students: A crucial aspect of SDG 1 involves providing **financial aid** to students facing economic hardships, ensuring that poverty does not become a barrier to accessing higher education. This dimension encompasses identifying students in need, including refugees and displaced individuals, and extending significant financial aid. Metrics for this aspect may involve calculating the Full-Time Equivalent (FTE) number of students receiving aid and covering basic needs like food, water, accommodation, and education.

1.3 University Anti-Poverty Programme: Universities, as influential institutions, play a proactive role in combating poverty through comprehensive **anti-poverty programs**. These programs go beyond academic research and financial aid, encompassing a broader spectrum of initiatives within the university community. This may involve targeted educational programs, skills development, and outreach efforts aimed at breaking the cycle of poverty. Metrics for assessing the impact of university anti-poverty programs could include participation rates, success stories, and long-term outcomes for beneficiaries.

1.4 Community Anti-Poverty Programmes: Recognizing the interconnectedness between universities and their surrounding communities, SDG 1 calls for community anti-poverty programs. These initiatives extend the university's influence beyond its campus, actively engaging with **local communities to address poverty** at its roots. This could involve partnerships with local organizations, job creation initiatives, and community development projects. Metrics for these programs might include the number of community members impacted, the sustainability of interventions, and the overall improvement in living conditions.

In summary, SDG 1 addresses poverty comprehensively by integrating research, financial aid to students, university anti-poverty programs, and community-focused initiatives. This multi-faceted approach reflects a commitment to eradicating poverty in all its forms and underscores the pivotal role universities play in driving positive change at both individual and community levels.

1.3.1 UNIVERSITY TARGET FOR BOTTOM 20% HOUSEHOLD

"At Glocal University, we hold a steadfast commitment to nurturing diversity and inclusivity within our student community. Our active pursuit is to admit students from a wide spectrum of socioeconomic backgrounds, with a specific focus on those within the bottom 20% of household income groups or individuals encountering financial challenges. We firmly believe in extending the transformative power of quality education and providing opportunities to individuals who might otherwise encounter hindrances on their path to higher education.

During the academic year of 2021-2022, Glocal University proudly admitted students from low-income backgrounds and offered scholarships amounting to 40,271,280 INR, benefitting a total of 537 students. This initiative is a testament to our unwavering dedication to creating equitable access to education and fostering an environment where all students can thrive and succeed."

1.3.2 UNIVERSITY TARGET FOR BOTTOM 20% HOUSEHOLD

"At Glocal University, our unwavering commitment to equitable higher education extends to setting targets for students in the bottom 20% of Indian household incomes. We aim to provide access and support for their academic journey, irrespective of their financial background. We've implemented policies, including academic support, counseling, work-study programs, emergency aid, affordable

housing, progress evaluation, and feedback mechanisms. These initiatives address financial and academic barriers, ensuring all students excel in their higher education at Glocal University."

1.3.3 UNIVERSITY SUPPORT FOR LOW GROUP – FOOD, HOUSING, TRANSPORTATION, LEGAL SERVICES

Empowering Financially Disadvantaged Students

Glocal University upholds its steadfast commitment to ensuring that all students, regardless of financial means, access higher education and achieve academic success. Glocal University has crafted an inclusive support policy that focuses on critical areas such as food, housing, transportation, and legal services for students with financial constraints.

1. **Food Assistance:** To address food insecurity, Glocal University provides meal assistance programs, including meal plans, food banks for local eateries, promoting student well-being.
2. **Housing Support:** The University offers cost-effective on-campus housing with priority given to low-income students, guaranteeing safe accommodations.
3. **Transportation Services:** In promoting mobility, students receive transportation support, including subsidized bus passes, shuttle services.
4. **Legal Aid:** University extends legal support to students facing financial or housing-related legal challenges.

1.3.4 UNIVERSITY PROGRAM FOR LOW INCOME GROUP

Glocal University's comprehensive initiative program aims to ensure equitable access to higher education for students of income groups.

1. **Scholarship Opportunities:** The university offers scholarships based on academic achievement, financial need, and specific criteria tailored to low-income students.
2. **Affordable Housing:** The university offers affordable on-campus housing with specific allocations for low-income students, guaranteeing safe and secure accommodations.
3. **Transportation Support:** Glocal University eases the financial burden of commuting by offering subsidized bus passes, shuttle services, and carpooling options.

4. **Mental Health and Counseling:** Acknowledging the non-academic challenges faced by low-income students, the university provides counseling and mental health services.
5. **Progress Assessment:** A systematic process for regularly evaluating the progress of low-income students is in place to identify and address their unique needs and challenges.

1.3.5 UNIVERSITY SCHEME FOR LOW INCOME GROUP

"Glocal University's initiative for students from low-income backgrounds, previously known as 'University Scheme for Low Income Group,'. The program are as follows

1. **"Equity Access Program":** This program at Glocal University strives to provide equitable access to higher education for students with limited financial means.
2. **"Opportunity Scholarships":** Glocal University offers opportunity scholarships to help low-income students pursue their academic dreams.
3. **"Financial Aid for All":** The 'Financial Aid for All' program ensures that financial constraints don't hinder students from accessing quality education.
4. **"Pathways to Excellence":** Glocal University's 'Pathways to Excellence' initiative guides students from low-income groups toward academic success.
5. **"Access to Success Program":** The 'Access to Success Program' at Glocal University is designed to empower all students, regardless of their financial backgrounds, to achieve their educational goals.

1.4.1 UNIVERSITY SUPPORT TO LOCAL COMMUNITY FOR BUSINESS

Initiatives for Glocal University's 'Sustainable Business Start-Up Support' for local community support include:

1. **Local Business Training:** Offering specialized training and workshops for local community members for start-ups.

2. **Access to University Resources:** Extending access to Glocal University's educational resources, libraries, and online courses to local community members.
3. **Mentorship Networks:** Creating mentorship networks connecting local entrepreneurs with experienced mentors from the university or the wider business community.
4. **Sustainability Workshops:** Conducting workshops on sustainable business practices and corporate social responsibility, benefiting both startup founders and the local community.
5. **Networking Events:** Hosting events that bring together local entrepreneurs, university students, and potential customers to foster collaboration and business growth.
6. **Community Outreach Programs:** Initiating outreach programs to identify the needs of local businesses.

In pursuit of its 'Sustainable Business Start-Up Support' initiative for the local community, Glocal University spearheaded impactful endeavors in 2022. Among these initiatives was the unveiling of the state-of-the-art Mechanical Lab during a dedicated event. This cutting-edge facility not only showcased modern machinery and tools but also provided students with a hands-on experience, allowing them to explore practical applications of mechanical engineering principles. The event, characterized by engaging demonstrations and interactive activities, went beyond theoretical understanding, fostering a passion for innovation and problem-solving in the realm of mechanical engineering. Through such initiatives, Glocal University demonstrated its commitment to supporting sustainable business start-ups and contributing to the local community's growth.

1.4.2 UNIVERSITY SUPPORT TO LOCAL COMMUNITY FOR BUSINESS

Initiatives for Glocal University's Financial Assistance Program to support local community start-ups for financially and socially sustainable businesses include:

1. **Microgrants:** Providing microgrants to aspiring entrepreneurs in the local community.
2. **Community Investment Funds:** Establishing community investment funds that enable residents to invest in local startups and stimulate economic growth.
3. **Access to University Resources:** Allowing local business owners access to university libraries, research facilities to run their enterprises efficiently.
4. **Partnerships with Local Organizations:** Collaborating with local chambers of commerce, non-profits, and governmental agencies to identify and support promising sustainable business initiatives.
5. **Promotion of Sustainability:** Organizing workshops and events that promote sustainable business practices and emphasize social and environmental responsibility in entrepreneurship.

Glocal University hosted a captivating event showcasing its array of cutting-edge science laboratories. Students were provided with a hands-on experience across diverse scientific disciplines, from biology and chemistry to physics. The event aimed at fostering a culture of experiential learning, allowing participants to conduct practical experiments and engage with advanced laboratory equipment. Faculty-guided demonstrations and interactive sessions enriched students' understanding of scientific concepts and methodologies. Glocal University's commitment to providing a comprehensive and practical education in the sciences was highlighted through this event, creating an immersive learning environment that nurtures curiosity, critical thinking, and innovation among the university's scientific community.

1.4.3 UNIVERSITY PROGRAM/TRAINING FOR BASIC SERVICES

Glocal University is committed to improving access to basic services for all members of our community.

1. **Financial Literacy Training:** Financial education programs provide valuable insights into managing personal finances and accessing financial services.
2. **Healthcare Awareness Seminars:** Glocal University offers seminars to educate the community on healthcare resources, preventive care, and accessing medical services.
3. **Educational Outreach:** Outreach programs aim to improve access to quality education by offering scholarships, career guidance, and tutoring to underserved students.
4. **Legal Aid Clinics:** Our legal aid clinics provide guidance on accessing legal services for all.
5. **Environmental Sustainability Programs:** Training on sustainable practices ensures access to a clean environment and the understanding of how to protect it.
6. **Gender Equality Initiatives:** Programs designed to promote gender equality and provide tools to access resources and opportunities equally.

1.4.4 UNIVERSITY AS A BODY TO PARTICIPATE IN POLICY

1. **Education for All:** Collaboration with Local Education Authorities:
2. **Public Health and Access:** Glocal University takes an active role in influencing healthcare policies at the local and regional levels.
3. **Environmental Conservation:** Participating in conversations centered around environmental conservation, sustainable practices, and local environmental initiatives.
4. **Economic Growth and Livelihoods:** University collaborates with local governing bodies and government representatives to advocate for policies that encourage entrepreneurship, create job opportunities,
5. **Social Welfare and Inclusivity:** Our active involvement in the design and implementation of social welfare policies ensures they effectively meet the needs of marginalized and disadvantaged groups within our community.

6. Community Empowerment: Our institution is committed to empowering individuals to engage in local governance and decision-making processes through various community engagement initiatives.

SDG 2 – ZERO HUNGER

GLOCAL UNIVERSITY

INDIA

2022

SDG 2 - ZERO HUNGER

2.2.1 Glocal University is dedicated to sustainability, actively **measuring food waste** from both self-operated and outsourced food provisions. Our policies mandate robust tracking mechanisms for accurate data on food waste generation. In past events, we conducted awareness campaigns educating the community on responsible consumption, implemented waste reduction strategies, and collaborated with food providers to optimize portioning. By measuring and addressing food waste, we strive to minimize our environmental footprint and promote a culture of mindful consumption within the university. Our commitment remains steadfast in fostering a sustainable and responsible approach to food management.

2.2.2 Glocal University prioritizes addressing student **food insecurity and hunger** through comprehensive programs. In the past, we've implemented initiatives such as meal assistance programs, campus community gardens. These actions have aimed to provide immediate relief and sustainable solutions for students facing food insecurity. Additionally, awareness campaigns and financial aid programs have been instrumental in creating a supportive environment. By consistently evaluating and enhancing these programs, we strive to ensure that every student has reliable access to nutritious food, fostering a campus community where well-being and academic success go hand in hand.

2.3.2 Glocal University is unwavering in its commitment to addressing **hunger among students** and staff. Our policies include proactive interventions such as establishing food banks and pantries to ensure reliable access to nutritious meals. In past actions, we organized food drives, collaborated with local communities, and implemented financial assistance programs. These initiatives aimed to prevent and alleviate hunger, fostering a supportive environment. By continuously enhancing these interventions, we aspire to create a campus where no student or staff member faces food insecurity, aligning with our dedication to the well-being and inclusivity of the university community.

2.3.3 Glocal University prioritizes sustainable food choices for all, offering diverse **vegetarian and vegan** options on campus. Past actions include the incorporation of nutritious plant-based meals in dining facilities, promoting health and environmental consciousness. Collaborations with local farmers underscore our commitment to sourcing organic and sustainable ingredients.

Events, such as themed meals and campaigns, have heightened awareness about the benefits of vegetarian and vegan diets. These initiatives reflect our dedication to fostering a campus environment where individuals can make informed and sustainable food choices, contributing to their well-being and supporting a healthier planet.

2.3.4 Glocal University is committed to providing **healthy and affordable food choices** for all on campus. Past initiatives include introducing a variety of nutritious, balanced meal options, ensuring affordability through pricing policies. Events like health awareness campaigns and themed meals have promoted the importance of making wholesome food choices. Collaborations with local suppliers and farmers enhance the availability of fresh and affordable ingredients. These efforts align with our commitment to fostering a campus environment where everyone can access and enjoy nutritious meals, contributing to their overall well-being and creating a positive dining experience.

2.5.1 Glocal University actively supports **local farmers and food producers by providing access to knowledge**, skills, and technologies in food security, sustainable agriculture, and aquaculture. Past initiatives include organizing workshops, training sessions, and knowledge-sharing events. The university collaborates with agricultural experts to empower local communities with the latest advancements and sustainable practices. These efforts aim to enhance the capabilities of farmers and food producers, fostering resilience and promoting environmentally friendly approaches. Glocal University's commitment to sharing expertise contributes to the development of robust, sustainable agricultural practices in the local community.

2.5.2 Glocal University actively **facilitates events for local farmers and food producers**, creating platforms for knowledge exchange and networking. Past initiatives include organizing agricultural fairs, forums, and interactive sessions where farmers can connect, share experiences, and gain insights into the latest advancements. These events aim to foster a collaborative environment, enabling the transfer of knowledge and best practices. Glocal University's commitment to these initiatives reflects its dedication to supporting the local agricultural community, promoting sustainable practices, and enhancing the overall well-being of the region.

2.5.3 Glocal University is dedicated to promoting **sustainable farming practices by providing local farmers and food producers** access to university facilities. This includes laboratories, cutting-edge technology, and plant stocks to enhance their agricultural knowledge and practices. In the past, the university has hosted workshops and training sessions, allowing community members to benefit from these resources. By actively engaging with the local farming community, Glocal University contributes to the advancement of sustainable agriculture, fostering a collaborative environment for shared learning and growth.

2.5.4 Glocal University prioritizes the **purchase of products from local**, sustainable sources to support the regional economy and promote environmentally conscious practices. Past initiatives include establishing partnerships with local farmers and suppliers, ensuring that products procured align with sustainability criteria. By actively implementing this policy, the university contributes to the community's economic development and reduces its environmental footprint. These actions are a testament to Glocal University's commitment to fostering a sustainable and responsible approach to sourcing, aligning with its dedication to environmental and social responsibility.

SDG 3 – GOOD HEALTH AND WELLBEING

GLOCAL UNIVERSITY

INDIA

2022

SDG 3 – GOOD HEALTH AND WELLBEING

3.3.1 UNIVERSITY COLLABORATION

At Glocal University, we engage in collaborative initiatives with local, national, and global health organizations to advance health and well-being.

1. **Global Yoga Awareness:** MoU with the International Federation of Yoga Professionals for global awareness to conduct workshops, seminars, and lectures for Yoga.
2. **Pharmaceutical Education Partnership:** Association with the Association of Pharmaceutical Teachers of India to organize guest lectures, competitions, and health camps to promote pharmaceutical education and awareness.
3. **Enhanced Yoga Awareness (Second MoU):** Second MoU with Digvijay Nath P.G. College and IFYP for workshops, seminars, and lectures for practice of yoga.
4. **Collaboration with Chhatrapati Sahuji Maharaj University:** MoU with Chhatrapati Sahuji Maharaj University and IFYP to strengthen yoga education and practice.

Activities -

1. Memorandum of Understanding (MoU) with International Federation of Yoga Professionals, New Delhi and Deen Dayal Upadhyaya Gorakhpur university for global awareness for yoga professionals, for araning workshop, seminar, lecture on yoga.
2. Association with association of pharamaceutical teachers of india for guest lectue, poster making competition, rangoli competition, quiz competition, health camp.
3. Memorandum of Understanding (MoU) with digvijay nath P.G. College Gorakhpur and inbernational federation of yoga professional for global awareness for yoga professionals, for araning workshop, seminar, lecture on yoga.
4. Memorandum of Understanding (MoU) with chhatrapati sahuji maharaj university, Kanpur with with International Federation of Yoga Professionals
5. Proposal for the MOU between University/College & International Federation of Yoga Professionals (IFYP)

6. Proposal letter for the MOU to planning, training, promotion and coordination of Yoga education

International Yoga Week Celebration at Glocal University (2022)

From June 15th to June 21st, 2022 Glocal University enthusiastically participated in the annual International Yoga Week, a global initiative aimed at promoting the physical, mental, and spiritual benefits of yoga. The celebration at our campus was marked by a dedicated effort to enlighten the community about the profound impact of yoga on overall well-being.

Yoga, rooted in ancient Indian practices, has evolved into a universal means of achieving balance and harmony, transcending cultural boundaries. In the modern era, where stress and sedentary lifestyles prevail, the significance of yoga cannot be overstated. It offers a holistic approach to health, addressing physical fitness, mental clarity, and emotional stability.

Throughout International Yoga Week, participants at Glocal University actively engaged in a variety of asanas (yoga postures) to experience the diverse benefits of this ancient discipline. From the calming effects of meditation poses like Padmasana to the invigorating impact of dynamic asanas like Surya Namaskar, each posture contributed to enhancing flexibility, strength, and inner peace. Workshops and sessions were organized to educate participants on the correct techniques and alignment of these asanas, ensuring a safe and effective practice.

A fundamental principle of yoga is the connection between the mind and body. Through mindful breathing and meditation, participants learned to cultivate awareness, manage stress, and foster mental resilience. This mind-body integration proved crucial for maintaining a balanced and healthy lifestyle.

The celebration of International Yoga Week at Glocal University underscored the institution's commitment to holistic education and the well-being of its community. By embracing the ancient wisdom of yoga, participants gained valuable tools to navigate the challenges of modern life, fostering a culture of health, mindfulness, and interconnectedness. This annual celebration

reinforced the university's dedication to nurturing not only academic excellence but also the overall development and vitality of its students and staff."

3.3.2 UNIVERSITY OUTREACH PROGRAM

"Glocal University is a driving force for positive change and community development, prioritizing health and wellbeing and events as -

1. Community Outreach program by the College of Nursing and Research Centre, focusing on hygiene, nutrition, and family planning for community health.
2. Eye Care Initiative by glocal university for eye infections and conjunctivitis to meet specific health needs.
3. Glocal Unani Medical College's conducting, awareness programs, and medical camps emphasizing personal hygiene and its daily significance.
4. Comprehensive Community Outreach Program covering Yoga Education Certification, Wellness Initiatives, and Therapeutic Yoga.
5. Glocal Unani Medical College's program focusing on health check-ups, hygiene, nutrition, and overall health for Outreach in Kasimpur Village:
6. Regular Free Medical Camps conducted in Kasimpur village and Bada Kuan area, addressing essential health needs and hygiene awareness.

Activities –

1. "Under the banner of 'Azadi Ka Amrit Mahotsav,' the College of Nursing and Research Centre organized a Community Outreach Program to enhance health and wellbeing in the local community. The focus was on hygiene, nutrition, and family planning.
2. Glocal Ayurvedic College and Speciality Hospital and Research Centre conducted a Community Outreach Program addressing eye infections and conjunctivitis in the local community.
3. Glocal Unani Medical College Hospital & Research Center commemorated the 75th Year of Independence by arranging lecture series, awareness programs, and medical camps in nearby schools, colleges, and villages. Topics included personal hygiene and its significance in daily life.

4. Glocal School of Pharmacy, in association with the Association of Pharmaceutical Teachers of India, organized a free health camp in Shahpur Gada. Services included health check-ups, blood pressure monitoring, hemoglobin tests, sugar tests, and blood group identification.
5. A Community Outreach Program during the 61st National Pharmacy Week in Khushalpur village promoted sports, exercise, and wellbeing. It featured a guest lecture on the theme "Pharmacy of the World - India."
6. Glocal University collaborated with the International Federation of Yoga Professionals for a Community Outreach Program. The program encompassed Yoga Education Certification, Promotion of Yoga, Yoga for Health, Community Outreach, Wellness Initiatives, Yoga Advocacy, Yoga Networking, and Therapeutic Yoga.
7. Glocal Unani Medical College Hospital and Research Center organized a Community Outreach Program in Kasimpur village, focusing on health check-ups, hygiene, nutrition, and overall health.
8. Glocal Unani Medical College Hospital & Research Center conducted a Free Medical Camp in Kasimpur village as part of "Azadi ka Amrit Mahotsav." The camp provided medical services, hygiene awareness, and counseling to the rural population.
9. As part of "Azadi ka Amrit Mahotsav," Glocal Unani Medical College Hospital & Research Center arranged lecture series, awareness programs, and medical camps at public national inter college and village Sadholi Kadim, addressing health, hygiene, and wellbeing.
10. A Community Outreach Program by Prof. Dr. Rehan Safee and Prof. Dr. Abdul Malik of Glocal Unani Medical College provided insights on AYUSH courses, career opportunities, and the importance of traditional therapies.
11. Glocal Unani Medical College Hospital & Research Center served the community by conducting a Free Medical Camp in the Bada Kuan area of Mirzapur Pole. The camp focused on winter season care and hygiene awareness, benefiting the rural population."

ग्लोकल आयुर्वेदिक कॉलेज सुपर स्पेशलिटी हॉस्पिटल एण्ड रिसर्च सेंटर

कंजक्टिवाइटिस/आईफ्लू (आँखों का लाल होना)

कंजक्टिवाइटिस एक प्रकार का संक्रमण रोग है जो बैक्टेरिया या वाइरस से होता है। मौसम बदलाव व बाढ़ की वजह से आई फ्लू बढ रहा है।

कंजक्टिवाइटिस के लक्षण

- ★ आखें लाल हो जाती है तथा आँखों में सूजन आ जाती है।
- ★ आँखों में खुजली होती है।
- ★ आँखों से पीले रंग का पीप आ जाता है, तथा आँखों की पलक आपस में चिपक जाती है।
- ★ बच्चों को आई फ्लू के साथ बुखार आ सकता है।

कंजक्टिवाइटिस से बचाव

- ★ हाथों को साबुन या सेनीटाइजर से साफ रखें।
- ★ आँखों को बार बार ना छुए।
- ★ आँखों को साफ पानी से धोए।
- ★ संक्रमित व्यक्ति के तौलिये रूमाल, धोती इत्यादि से अपनी आँखें न पौछें।
- ★ भीड़ भाड़ वाली जगहों पर ना जाए।
- ★ आई फ्लू फैलने के दौरान पानी में न तैरे।
- ★ अपने वातावरण को साफ रखें।

Glocal Ayurvedic College Super Speciality Hospital and Research Centre at Glocal University organized a dedicated event addressing the prevalent concerns of conjunctivitis and eye flu. This initiative aimed to disseminate valuable information about these eye conditions, including causes, symptoms, and preventive measures. The event featured expert-led seminars, interactive sessions, and awareness campaigns to educate the community about maintaining ocular health. Glocal University's commitment to holistic well-being was evident as the event not only

addressed immediate health concerns but also empowered individuals with knowledge for proactive eye care. The collaboration of the Ayurvedic college with the super speciality hospital showcased Glocal's integrated approach to healthcare, combining traditional wisdom with modern medical expertise for the benefit of the community.

In 2022, Glocal University demonstrated its commitment to community well-being by organizing a comprehensive Health Checkup Program for local communities. The university opened its doors to residents in the surrounding areas, providing access to free health checkups and medical consultations. With the support of qualified healthcare professionals and state-of-the-art medical equipment, the program addressed various health concerns and offered valuable preventive care advice. Glocal University's initiative aimed not only to diagnose and treat health issues but also to promote health awareness within the local community. This event exemplified the university's dedication to social responsibility and community engagement, fostering a healthier and more

informed local population. In 2022, Glocal University's Health Checkup Program made a meaningful impact on the well-being of the community, emphasizing the institution's role as a catalyst for positive change beyond its academic endeavors.

In 2022, Glocal University hosted a transformative Community Engagement Event focused on enhancing educational skills among local primary school students. The event, rooted in Glocal University's commitment to community development, aimed to empower young learners with essential skills and foster a passion for education. Faculty and student volunteers conducted interactive workshops covering fundamental skills like reading, writing, and basic mathematics, tailored to the primary school level. Engaging activities, such as storytelling sessions, art and craft corners, and educational games, provided a holistic learning experience. This initiative not only strengthened the bond between Glocal University and the local community but also

showcased the university's dedication to nurturing the educational growth of the next generation. The event's impact extended beyond skill enhancement, fostering a collaborative spirit and instilling a love for learning among the primary school students, marking a significant step toward positive community development.

3.3.3 UNIVERSITY AS A BODY SHARE SPORT FACILITY

Glocal University's commitment to community wellness is evident in our shared sports facilities, serving as hubs for health, connections, and community vitality. Open to diverse groups, including local schools and the public, these spaces aim to improve physical fitness while strengthening community bonds. Our dedication extends to students from public national inter colleges and Sadholi Kadim village, fostering well-being and unity. During the 61st National Pharmacy Week, our facilities played a crucial role in a Khushalpur village Community Outreach Program, promoting sports, exercise, and overall well-being. This included an enlightening guest lecture on "Pharmacy of the World - India," showcasing our commitment to enhancing local community health.

Activities –

1. Empowering students from the public national inter college and **Sadholi Kadim village** to prioritize their health, hygiene, and overall well-being.
2. Extending the opportunity to students of public national inter colleges in **Sadholi Kadim**, promoting holistic well-being.
3. In celebration of the 61st National Pharmacy Week, our **Khushalpur village Community Outreach Program** took the lead in advocating for sports, exercise, and the overall welfare of our community. The program was enriched by an enlightening guest lecture on the theme "Pharmacy of the World - India."
4. Within the framework of the 61st National Pharmacy Week, a remarkable Community Outreach **Program in Khushalpur village** emphasized the significance of sports, exercise, and well-being. The event was further enhanced by a guest lecture on the theme "Pharmacy of the World - India."

3.3.4 UNIVERSITY BODY FOR SEXUAL AND REPRODUCTIVE SERVICES

At Glocal University, ensuring students have access to sexual and reproductive health care is integral to our commitment to overall well-being. We provide a spectrum of services, including information, education, and medical assistance, addressing students' unique needs in this domain. Specialized lectures on sexual and reproductive health care empower students to make informed decisions, fostering responsible and safe lives. As part of the 75th Year of Independence commemoration, Glocal Unani Medical College organized a series, including sexual and reproductive health care, emphasizing holistic well-being. During the 61st National Pharmacy Week, a Community Outreach Program in Khushalpur village highlighted the importance of these services for students, aligning with our dedication to community health and informed decision-making.

Activities -

1. Glocal Unani Medical College Hospital & Research Center took a proactive step in commemorating the 75th Year of Independence by organizing a series of lectures, awareness programs, and medical camps, specifically tailored to address sexual and reproductive health care services for our students.
2. During the 61st National Pharmacy Week, we put a spotlight on the promotion of sexual and reproductive health care services as part of our broader focus on sports, exercise, and the overall well-being of our community. An enlightening guest lecture centered around the theme "Pharmacy of the World - India" further highlighted the importance of sexual and reproductive health care services for our students.
3. Our commitment to promoting physical fitness, exercise, and well-being was exemplified through a Community Outreach Program in Khushalpur village as part of the 61st National Pharmacy Week. This program featured a guest lecture emphasizing the theme "Pharmacy of the World - India" and underscored our aspiration to enhance the physical fitness and overall health of our local community while addressing sexual and reproductive health care services for our students.

3.3.5 UNIVERSITY ACCESS TO STUDENT/EMPLOYEE FOR MENTAL HEALTH SUPPORT

Glocal University prioritizes mental health by actively promoting well-being, offering free counseling, and providing information on paid services. Our initiatives reduce stigma, increase awareness, and foster a supportive environment for positive mental health. Free support includes counseling and guidance, ensuring accessibility for all. Additionally, we offer information and referrals for those seeking specialized, charged mental health services, recognizing diverse needs. Our comprehensive approach reflects a commitment to a campus community valuing mental well-being, providing resources for personal growth and academic success.

3.3.6 UNIVERSITY SMOKE FREE POLICY

Glocal University Smoke-Free Policy (2020-2021)

Policy Scope: This policy applies to all members of the Glocal University community, including students, research scholars, staff members, and visitors.

Policy Objective: The primary purpose of this policy is to ensure a smoke-free environment and ambiance for all stakeholders within the university.

Prohibited Activities: Smoking or the use of any nicotine products is strictly prohibited within any area of the university campuses, including hostels. This policy extends to encompass the consumption or possession of alcohol, narcotic drugs, lethal weapons, inflammable materials, and related products.

Visitor Awareness: All members are encouraged to educate and make visitors aware of this policy. This may involve politely requesting a visitor not to smoke or, if necessary, asking a visitor to leave any campus or facility should they wish to smoke.

Monitoring and Compliance: The Registrar and Proctorial Board (Administration) is responsible for monitoring compliance with this policy. They are also tasked with reporting any breaches and providing solutions as needed.

Disciplinary Action: Any breach of this policy by a student or staff member may result in disciplinary action under the university's Code of Conduct.

Signage: To ensure clarity and adherence, prominent "No Smoking" signage will be installed across all university campuses.

Awareness Programs: Regular awareness programs on smoking and its adverse effects will be conducted to educate the university community about the importance of this policy.

Glocal University Smoke-Free Policy 2022-2023:

1. Prohibition of Smoking

Building upon the success of the 2020-2021 Smoke-Free Policy, Glocal University continued to strictly prohibit smoking and the use of tobacco products on campus premises during the 2021-2022 academic year. Our commitment to a smoke-free campus remains steadfast, as we aim to further reduce smoking-related health risks and promote a healthier community.

2. Healthier Environment

Our objective of creating a healthier and cleaner environment for students, staff, and visitors remains at the core of our policy. We continue to prioritize the well-being of our campus community by maintaining a campus free from the harmful effects of smoking. A smoke-free environment ensures that all individuals can enjoy clean air and a safer, pollution-free campus, contributing to their overall quality of life.

3. Stricter Regulations

In the upcoming academic year, the university is introducing even stricter regulations to ensure the effective implementation of the Smoke-Free Policy. These regulations include increased fines for violations and a strengthened enforcement system to promote compliance among students, staff, and visitors.

4. Comprehensive Coverage

The 2021-2022 policy upholds the principle of comprehensive coverage. The policy applies to all university-owned or operated facilities, both indoor and outdoor areas, and university vehicles. The continued elimination of designated smoking areas ensures that our campus remains entirely smoke-free.

5. Enhanced Enforcement and Compliance

Our approach to enforcement is continue to focus on education, awareness, and clear guidelines. We regularly conduct educational campaigns and awareness programs to keep our community informed about the policy and its benefits.

6. Commitment to Wellness

Commitment to Wellness, inclusive of a smoke-free policy, reflects our university's unwavering dedication to fostering a healthier and cleaner environment.

By strictly prohibiting smoking and tobacco product use on campus premises, we prioritize the well-being of students, staff, and visitors, reducing secondhand smoke's harm and promoting a culture of good health.

Glocal University's campus, adorned with lush greenery, is more than just visually appealing; it's a sanctuary of tranquility and responsible living. In 2022, the university implemented a "No Horn, No Smoking" policy to enhance the well-being of its academic community. The serene environment, enriched by vibrant green spaces, is preserved through a commitment to minimal noise pollution and smoke-free air. This conscious initiative not only fosters a peaceful atmosphere conducive to learning but also reflects Glocal University's dedication to creating a healthy and sustainable campus. By encouraging a culture of mindfulness and respect for the environment, the university strives to provide an enriching and considerate experience for its students and faculty.

3.3.6 UNIVERSITY SMOKE FREE POLICY

Glocal University Smoke-Free Policy applies to all members of the Glocal University community and visitors to ensure a smoke-free environment and ambiance for all stakeholders within the university.

Prohibited Activities: Smoking or the use of any nicotine products is strictly prohibited within any area of the university campuses, including hostels. This policy extends to encompass the consumption or possession of alcohol, narcotic drugs, lethal weapons, inflammable materials.

Visitor Awareness: All members are encouraged to educate and make visitors aware of this policy. This may involve politely requesting a visitor not to smoke or, if necessary, asking a visitor to leave any campus or facility should they wish to smoke.

Signage: To ensure clarity and adherence, prominent "No Smoking" signage will be installed across the campus.

Regular awareness programs on smoking and its adverse effects will be conducted to educate the university community about the importance of this policy.

Glocal University Smoke-Free Policy 2022-2023:

1. Prohibition of Smoking

In 2022, Glocal University celebrated Unani Day with enthusiasm and cultural richness. The event, dedicated to the traditional Unani system of medicine, showcased the university's commitment to preserving and promoting alternative healthcare practices. The celebration featured engaging seminars, workshops, and demonstrations, highlighting the historical and therapeutic aspects of Unani medicine. Students and faculty actively participated in discussions on the holistic approach of Unani healing, fostering a deeper appreciation for traditional healing methods. The festivities also included cultural performances, herbal exhibitions, and expert talks, creating a vibrant atmosphere that celebrated the rich heritage of Unani medicine. Glocal University's Unani Day celebration served as a platform to blend education with cultural awareness, emphasizing the significance of traditional healing in contemporary healthcare practices.

HEALTH AWARENESS CAMP

PHARMA EXHIBITION

**WORLD PHARMACIST DAY
CELEBRATIONS**

PHARMA EXHIBITION

**PHARMA RANGOLI
COMPETITION**

**PHARMA EXHIBITION-
PHARMA INDUSTRY**

Glocal University's commitment to holistic well-being and education is evident in its multifaceted events. The Health Awareness Camp at the university provides a platform for promoting wellness, offering medical check-ups, consultations, and informative sessions to the campus community. In tandem, the Pharma Exhibition showcases advancements in the pharmaceutical field, fostering awareness about healthcare innovations.

World Pharmacist Day celebrations underscore the vital role pharmacists play in healthcare. Concurrently, a Rangoli Competition adds a touch of creativity, encouraging artistic expression among students. Additionally, Glocal University hosts Industry Exhibitions, connecting students with professionals and showcasing cutting-edge developments across various sectors. Collectively, these events contribute to a vibrant and comprehensive educational environment,

combining health awareness, cultural expression, and industry insights for a well-rounded student experience.

Glocal University actively engages with the local community through a thoughtful initiative conducted at Prathmik Vidyalaya in Sherpur Village. This community outreach program takes the form of "Mann Ki Baat" sessions, focusing on the themes of yoga and health. Led by Glocal University representatives, these sessions provide a platform for open dialogue, knowledge-sharing, and interactive discussions on the benefits of yoga for physical and mental well-being.

The initiative goes beyond traditional academic boundaries, promoting holistic health practices within the local community. By emphasizing the importance of yoga and a healthy lifestyle, Glocal University actively contributes to the well-being of the residents in Sherpur Village. This community engagement reflects the university's commitment to making a positive impact on the lives of the people it serves, fostering a culture of shared knowledge and well-being.

Glocal University demonstrates its commitment to community well-being through a commendable initiative: providing a one-day healthy diet to the local community. This community engagement program involves offering nutritious meals to residents for a day, emphasizing the importance of a balanced and healthy diet for overall health.

Led by the university's faculty and student volunteers, this initiative not only addresses immediate nutritional needs but also promotes awareness about the significance of good nutrition. By actively engaging with the community in this manner, Glocal University seeks to make a positive impact on public health, contributing to the welfare and well-being of the local residents. This community-centric approach aligns with the university's broader commitment to social responsibility and creating positive change beyond the boundaries of the campus.

Glocal University hosted a crucial event centered on fostering open communication and support between the institution and parents/guardians. This initiative addressed the holistic well-being of students by delving into health and stress-related issues. Through interactive sessions, parents gained insights into the university's healthcare and counseling services, fostering a collaborative approach to student well-being. The event facilitated an open dialogue on mental health, stress management, and overall student health, allowing parents to actively participate in their child's academic and emotional journey. Glocal University's commitment to the comprehensive care of students was exemplified through this event, creating a supportive network involving both the university and parents for the students' health and well-being.

FREE HEALTH CAMP

VILLAGE: SHAHPUR GADA

HEALTH CHECK UP ★ BLOOD PRESSURE ★ HEMOGLOBIN TEST ★ SUGAR TEST ★ BLOOD GROUP TEST ★ WEIGHT

29th November 2022

As part of the 61st National Pharmacy Week 2022, Glocal School of Pharmacy at Glocal University organized a compassionate initiative—a free health camp at the village of Shahpur Gada. This community-focused event aimed to extend healthcare services to the underserved population, emphasizing the essential role of pharmacists in promoting well-being. The health camp provided residents with access to medical consultations, health check-ups, and essential medications. Glocal University's commitment to community welfare and healthcare accessibility was showcased through this thoughtful outreach, reinforcing the significance of the pharmacy profession in addressing the healthcare needs of diverse communities. The event exemplified Glocal School of Pharmacy's dedication to both academic excellence and social responsibility.

In 2022, the Glocal School of Business & Commerce at Glocal University hosted an exhilarating sports event that set the campus abuzz with athletic prowess and spirited competition. The event featured a diverse range of sports activities, bringing together students to showcase their skills and sportsmanship. From intense matches on the playing fields to friendly competitions that fostered camaraderie, the sports event was a celebration of physical fitness and teamwork. Glocal University's commitment to holistic education was exemplified as students not only engaged in healthy competition but also reaped the benefits of sports in promoting a balanced and active lifestyle. The event contributed to a vibrant campus culture, highlighting the importance of physical well-being alongside academic pursuits.

Doctors' Day Celebration

Glocal Hospital marked the celebration of National Doctors Day on July 1, 2022, with a program that paid homage to the dedication and selfless service of medical professionals. The event, coordinated by the Dean Students Welfare (DSW), unfolded with a theme centered around "Family Doctors on the Front Line." The National Doctors Day celebration was a poignant event that highlighted the crucial role doctors play in healthcare. The event commenced with a warm welcome by Swarnima Singh, the coordinator from the Dean Students Welfare. Her opening remarks set a positive and appreciative tone for the celebration. Mrs. Reshma Tahir, the honorable registrar, delivered an insightful speech, emphasizing the significance of National Doctors Day. She shed light on the tireless efforts of doctors and their indispensable role in safeguarding public health. The in-charge of Glocal Hospital shared valuable insights into the

importance of National Doctors Day. Expressing appreciation for the hard work of the hospital staff, he underscored the dedication required in the medical profession. A symbolic cake cutting ceremony was conducted, signifying the sweetness of appreciation for doctors' contributions. Attendees enjoyed refreshments, creating an atmosphere of camaraderie and gratitude. Pro Vice Chancellor Dr. Satish Sharma delivered the vote of thanks, expressing gratitude to the medical professionals for their unwavering commitment to healthcare. He acknowledged the pivotal role doctors play on the front lines, especially during challenging times. The National Doctors Day celebration at Glocal Hospital was a heartfelt tribute to the dedicated medical professionals. The event, organized by DSW and attended by esteemed dignitaries, celebrated the noble profession of medicine and underscored the invaluable service provided by doctors.

International Yoga Day Celebration 2022

Glocal University enthusiastically celebrated International Yoga Day, promoting holistic well-being and mindfulness among its members. The event took place on [Date], featuring a yoga session led by a trained instructor. The university encouraged the mandatory participation of all members residing on the campus, extending the invitation to include family members as well. The International Yoga Day celebration began with a sense of enthusiasm and commitment to fostering a culture of health and wellness within the university community. The open area around the Medical Library provided an ideal setting for participants to engage in a rejuvenating yoga session. All members of Glocal University residing on the campus were required to attend the yoga session as part of the mandatory celebration. The inclusive nature of the event allowed family members to join, promoting the importance of yoga for the entire community. As a gesture of appreciation for active participation, attendees of the yoga session were granted a relaxation of one hour for their morning attendance. This served as both an incentive and recognition of the commitment to promoting a healthy lifestyle through yoga. Participants were encouraged to mark their morning attendance by 10:15 AM, allowing them to seamlessly integrate the yoga session into their daily routines while ensuring minimal disruption to their regular schedules. The program schedule outlined the various activities planned for the International Yoga Day celebration, including the yoga session led by the trained instructor. The schedule aimed to provide a structured and engaging experience for participants. The International Yoga Day celebration at Glocal University concluded with a sense of accomplishment and a renewed commitment to well-being. The event successfully brought together the university community in a shared experience of yoga, emphasizing its positive impact on physical and mental health.

MEDICAL CAMP REPORT

Glocal Unani Medical College Hospital & Research Center, Saharanpur has been serving the mankind by conducting medical camps, awareness programs, sanitation drives by spreading Hygiene awareness among the rural population.

Glocal Unani Medical College Hospital & Research Center conducted a Free Medical Camp in Bada Kuan area of Mirzapur Pole on Dec 30, 2022. A team of Physicians, interns and final year students attended the Medical Camp. Dr. Rehan Safee, In charge Principal opened the camp with giving awareness about prevention and care during winter season , Dr. Aini, RMO attended the patients in the camp.

A total number of 124 patients were benefitted from the Medical Camp. Free check-up and medicines were given to the patients.

SDG 15 – LIFE ON LAND

GLOCAL UNIVERSITY

INDIA

2022

SDG 15 – LIFE ON LAND

15.1 Research on land ecosystems

1. Strategic Research Focus: Glocal University is committed to fostering a culture that motivates faculty and researchers to engage in impactful, pioneering research with the aim of publication in esteemed top-tier journals.
2. Research Empowerment Grants: Glocal University recognizes the significance of impactful studies and supports its faculty by providing research funding or grants. These resources are directed towards studies with a heightened likelihood of acceptance by prestigious journals.
3. Interdisciplinary Synergy Initiative: As part of our commitment to innovation, Glocal University actively promotes interdisciplinary collaborations. We encourage experts from diverse fields to collaborate, fostering innovative research that resonates with a wider audience.
4. Continuous Research Enhancement Programs: Glocal University is dedicated to the professional growth of its researchers. To this end, we regularly conduct training sessions and workshops designed to enhance the skills of our research community.
5. Quality Publication Recognition System: Glocal University values quality over quantity in research output. We have established incentive systems and recognition programs that acknowledge and reward researchers for publishing in top-tier journals.
6. Research Integrity and Ethics Assurance: Upholding the highest standards in research, Glocal University places a strong emphasis on research integrity and ethical practices.

We understand that these principles are critical factors considered by top journals during the rigorous review process.

15.2.1 UNIVERSITY EVENT FOR CONSERVATION

Glocal University Land Conservation and Sustainable Utilization Policy

Glocal University is dedicated to advancing the cause of **land conservation** and sustainable utilization, with a focus on forests and wild areas. Key Policy Components:

1. The University integrates **sustainable land utilization** topics into the curriculum and hosts guest lectures, seminar, workshops by field experts to promote awareness and understanding.
2. Actively participating in afforestation efforts, the university organizes tree plantation drives to combat deforestation and enhance biodiversity.
3. Encouraging research on sustainable land utilization, biodiversity conservation, and innovative environmental solutions.
4. Prioritizing eco-friendly practices during event organization, minimizing environmental impact through waste reduction and consideration of carbon footprint.
5. Collaborative projects with local communities involve them in sustainable land practices, fostering a shared commitment to conservation.

Glocal University stands out for its thoughtfully designed landscaping zones, featuring captivating gardens that serve both aesthetic and environmental purposes. The lush greenery not only enhances the visual appeal of the campus but also contributes to sustainable practices. Specifically designed for water soaking, these beautiful gardens play a crucial role in water conservation and management. The strategic landscaping not only reduces runoff but also creates an eco-friendly environment that thrives on responsible water usage. Glocal University's commitment to blending aesthetics with eco-conscious practices is evident in these landscaping zones, fostering a campus atmosphere that is both visually pleasing and environmentally sustainable.

Glocal University distinguishes itself through meticulously planned landscaping zones adorned with enchanting gardens that harmoniously blend aesthetics with environmental sustainability. The verdant greenery not only elevates the campus's visual allure but also actively participates in sustainable practices. Tailored for effective water soaking, these exquisite gardens play a pivotal role in the university's water conservation efforts. The intentional landscaping not only minimizes runoff but also establishes an eco-friendly ambiance founded on responsible water usage. Glocal University's dedication to seamlessly integrating aesthetics with eco-conscious principles shines through in these landscaped areas, cultivating a campus environment that is visually appealing while championing environmental responsibility.

Glocal University's campus is a stunning embodiment of nature's harmony, boasting beautiful gardens and flourishing greenery that encapsulate the essence of biodiversity. The meticulously landscaped gardens serve as tranquil havens, interspersed with a diverse array of plant life, creating a vibrant and serene atmosphere for academic pursuits. The campus design reflects Glocal University's dedication to fostering biodiversity, with a thoughtful integration of native and exotic flora. As students traverse the green pathways, they are enveloped in a thriving ecosystem that not only enhances the visual appeal but also encourages a deeper connection with the natural world. Glocal University's commitment to a green campus resonates with its vision of providing students with an enriching and environmentally conscious educational experience.

15.2.2 UNIVERSITY POLICIES FOR FOOD ON CAMPUS

Glocal University's 2021-2022 Food Policies prioritize a safe, diverse, and sustainable campus dining experience. Key components include promoting **nutritious meal options**, upholding stringent **food safety standards**, and sourcing local, organic, and sustainable ingredients. Waste reduction strategies, allergen management, culinary diversity, and affordability are emphasized. The university actively engages in transparent community feedback, allowing continuous improvement based on student, faculty, and staff input. These policies reflect Glocal University's commitment to fostering a positive, inclusive, and health-conscious dining environment for the entire campus community.

Glocal University exemplifies its commitment to community welfare through a impactful community outreach program in nearby villages. This initiative focuses on food distribution to address immediate needs and foster a sense of solidarity within the local community. By extending a helping hand to those in need, Glocal University actively contributes to alleviating

food insecurity in the surrounding areas. This community-centric approach not only underscores the university's social responsibility but also strengthens the bond between the institution and the local residents. Through thoughtful and compassionate initiatives like food distribution, Glocal University actively demonstrates its dedication to making a positive and meaningful impact on the lives of those in the broader community.

15.2.3 UNIVERSITY POLICIES FOR MAINTAINING ECOSYSTEM/BIODIVERSITY

Glocal University blossomed into a green oasis with enchanting gardens, embodying a commitment to sustainability and natural beauty. The campus's lush and meticulously landscaped

gardens provided a serene retreat for students and faculty alike. Dotted with a diverse array of plants and flowers, these green spaces not only enhanced the aesthetic appeal of the campus but also contributed to a healthier and more vibrant learning environment. Glocal University's dedication to cultivating beautiful gardens on its grounds is a testament to its holistic approach to education, recognizing the profound impact that a harmonious blend of nature and academia can

Glocal University unveiled a picturesque green campus harmoniously blending beautiful gardens with well-designed roads and buildings. The campus is a testament to the perfect equilibrium between modern infrastructure and natural aesthetics. Lush gardens, featuring an array of flora, impart a refreshing and tranquil ambiance, providing a scenic backdrop for academic pursuits. Thoughtfully integrated with the architecture and roadways, the greenery creates a balanced and visually appealing landscape. Glocal University's commitment to sustainable urban planning and environmental consciousness is evident in the seamless integration of green spaces with the infrastructure, fostering a holistic and inspiring environment where nature and academia coexist in perfect harmony.

Glocal University's campus is an ecological marvel, seamlessly integrating beautiful gardens, a dedicated herbal garden, and fostering rich biodiversity. Amidst the vibrant greenery, the herbal garden stands as a testament to the university's commitment to sustainable wellness practices. It hosts a diverse array of medicinal plants and aromatic herbs, creating a living pharmacy for the campus community. This green haven not only enriches the aesthetic appeal but also contributes to a thriving ecosystem. Glocal University's holistic approach extends beyond traditional academia, embracing the interconnectedness of nature and education. The harmonious coexistence of a herbal garden, diverse flora, and a flourishing ecosystem exemplifies the institution's dedication to creating a green campus that nurtures both intellectual growth and

Glocal University's campus is a picturesque blend of nature and education, featuring captivating gardens and an innovative demonstration room for students. Within this green oasis, the university has established a unique space for hands-on learning—the demonstration room for sampling plant leaves. This interactive facility allows students to engage directly with the diverse flora on campus, providing a practical understanding of plant biology. The room is equipped for plant leaf sampling, fostering an experiential approach to botanical studies. Glocal University's commitment to integrating nature into education is evident in this thoughtful addition, creating a dynamic and immersive learning environment where students can explore the beauty and complexity of plant life firsthand.

Glocal University's green campus stands as a testament to its commitment to holistic well-being, featuring lush gardens and an exceptional herbal garden adjacent to the Glocal Unani Medical College Hospital and Research Center. This specialized herbal garden serves as an invaluable resource for the college, offering a rich repository of medicinal plants and herbs used in Unani medicine. It provides students and researchers with hands-on experience, fostering a deep understanding of traditional healing practices. The harmonious integration of the herbal garden with the medical facility underscores Glocal University's dedication to merging modern education with time-honored medicinal knowledge, creating a truly unique and health-centric environment within its green campus.

Glocal University's Ecosystem and Biodiversity Policy underscores a commitment to preserving plant and animal diversity. Past initiatives include tree plantation drives, biodiversity awareness campaigns, and wildlife protection events. The university actively engages in habitat restoration projects, collaborating with environmental organizations for impactful conservation efforts. Notable actions include hosting seminars on endangered species, participating in National Wildlife Week, and establishing **green zones on campus**. Through these initiatives, Glocal University aims to nurture thriving ecosystems, safeguard plant and animal biodiversity, and instill a sense of environmental responsibility within the campus community.

Glocal University embraced a sustainable ethos in 2022, establishing a green campus adorned with rich biodiversity and a thoughtful water reservoir system. The campus became a thriving ecosystem with lush greenery, diverse flora, and a harmonious blend of natural elements. Strategically designed water reservoirs not only enhanced the aesthetic appeal but also contributed to water conservation efforts. These eco-conscious initiatives reflected Glocal University's commitment to environmental stewardship, providing students with a serene and eco-friendly learning environment. The green campus with its diverse biodiversity and water reservoirs not only symbolized the university's dedication to sustainability but also created a tranquil and inspiring setting that resonated with the principles of conservation and responsible campus management.

TREE PLANTATION DRIVE

Glocal University champions environmental stewardship through its annual Tree Plantation Drive, a dedicated effort to enhance green cover and promote sustainability. This initiative involves students, faculty, and staff actively participating in planting saplings across the campus and surrounding areas. The university emphasizes the importance of afforestation in mitigating climate change, improving air quality, and fostering a greener ecosystem.

Led by environmental experts and supported by the entire Glocal community, the Tree Plantation Drive not only contributes to ecological well-being but also instills a sense of environmental responsibility among participants. By fostering a culture of sustainability, Glocal University aims to inspire a generation of environmentally conscious individuals who recognize the significance of preserving and nurturing the natural world.

15.2.4 UNIVERSITY POLICIES FOR EDUCATIONAL PROGRAMS ECOSYSTEM/BIODIVERSITY FOR LOCAL OR NATIONAL COMMUNITIES

Glocal University's Educational Programs Ecosystem/Biodiversity Policy is dedicated to community engagement. Past initiatives include organizing workshops on local flora and fauna, conducting biodiversity conservation seminars, and implementing educational outreach in nearby

communities. The university actively collaborates with local schools, conducts nature walks, and hosts awareness events, fostering environmental consciousness. Noteworthy actions involve participating in National Biodiversity Week, supporting local conservation projects, and initiating educational partnerships with wildlife organizations. Through these policies and actions, Glocal University seeks to enhance ecological understanding, promote biodiversity conservation, and contribute to the educational enrichment of both local and national communities.

Glocal University spearheaded an impactful event focusing on international collaboration for biodiversity research and awareness. The event aimed to address global environmental challenges by fostering partnerships with international institutions. Through the Biodiversity Reach Program and Awareness Campaign, the university facilitated collaboration on diverse research initiatives aimed at understanding and preserving biodiversity. The event included insightful discussions, research presentations, and awareness campaigns led by experts from around the world. By uniting efforts to tackle environmental issues, Glocal University's event not only contributed to biodiversity research but also raised awareness among the campus community about the importance of safeguarding our planet's rich and diverse ecosystems.

Glocal University's campus is a verdant haven, showcasing not only enchanting gardens and lush greenery but also a vibrant commitment to biodiversity and gardening. The meticulously manicured gardens create a serene and visually appealing environment for students and faculty. The campus proudly embraces a rich tapestry of biodiversity, fostering a sustainable ecosystem that coexists harmoniously with academic pursuits. Engaging in gardening practices, the university community actively participates in nurturing and cultivating various plant species, contributing to the campus's thriving green spaces. This holistic approach to a green campus at Glocal University not only elevates the aesthetic appeal but also instills a sense of environmental stewardship and connection with nature among its academic community.

15.2.5 UNIVERSITY POLICIES FOR COMMUNITIES FOR AGRICULTURE/TOURISM

Glocal University's Educational Programs/Outreach Policy for Sustainable Land Management integrates agriculture and tourism for local and national communities. Past endeavors include organizing workshops on sustainable farming practices, promoting eco-friendly tourism, and partnering with local agricultural communities for skill-sharing programs. The university actively engages in agrotourism initiatives, hosts agricultural fairs. Notable actions involve participating in National Agriculture Day, supporting local farming cooperatives, and initiating educational partnerships with tourism organizations. Through these policies and actions, Glocal University aims to contribute to sustainable land management practices and foster community development.

Glocal University prioritizes hands-on learning, exemplified through its Agriculture Field Visit program. This initiative takes students beyond the confines of the classroom, providing them with a firsthand experience of agricultural practices. During these visits, students explore diverse agricultural landscapes, gaining practical insights into crop cultivation, soil management, and sustainable farming techniques.

The Agriculture Field Visit is designed to bridge the gap between theoretical knowledge and practical application. Students actively engage in activities such as observing crop growth stages, interacting with local farmers, and understanding the challenges and innovations in the agricultural sector. This immersive learning experience not only enhances their understanding of

agronomy but also instills a sense of environmental stewardship and a holistic appreciation for the complexities of modern agriculture.

INTERACTION WITH LOCAL FARMERS

Glocal University fosters a meaningful connection between students, faculty, and the local farming community by actively promoting interaction and engagement. Through initiatives like field visits and collaborative projects, students and faculty immerse themselves in the local agricultural landscape, forging relationships with farmers to gain insights into their challenges and experiences.

This intentional interaction serves as a bridge between academic learning and practical knowledge, allowing students to understand the real-world complexities of farming. Faculty members, along with students, actively participate in discussions, knowledge-sharing sessions, and collaborative problem-solving. By facilitating this dynamic exchange, Glocal University not

only enhances the educational experience for students but also contributes to creating solutions that address the challenges faced by local farmers. This approach aligns with the university's commitment to community engagement, experiential learning, and the application of knowledge for positive societal impact.

15.3 UNIVERSITY POLICIES FOR CONSERVATION, RESTORATION, ECOSYSTEM FOR FORESTS, MOUNTAINS AND DRYLANDS

Glocal University's Conservation and Restoration Policies prioritize ecosystems in forests, mountains, and drylands. Past actions include tree plantation drives, biodiversity awareness campaigns, and partnering with environmental NGOs. The university actively participated in International Mountain Day, organizing clean-up initiatives and restoration projects. Collaborations with local communities, government bodies, and international organizations have been instrumental. Educational events on dryland conservation showcased sustainable practices. By implementing these policies, Glocal University is dedicated to preserving, restoring, and enhancing the biodiversity of vital ecosystems, contributing to environmental sustainability and community well-being.

Glocal University recognizes the importance of cultural enrichment and heritage appreciation, manifested through its Heritage and Cultural Visit program. This initiative exposes students to the rich tapestry of history and traditions, fostering a deeper connection with their cultural roots. During these visits, students explore heritage sites, museums, and cultural landmarks, immersing themselves in the historical narratives and artistic expressions that shape societal identity.

The Heritage and Cultural Visit goes beyond textbooks, offering a dynamic, experiential learning opportunity. It not only instills a sense of pride in cultural diversity but also promotes cross-

cultural understanding. Through engaging with tangible aspects of heritage, students gain a holistic perspective on the evolution of societies, nurturing an appreciation for the cultural mosaic that defines our global community. This initiative aligns with Glocal University's commitment to providing a well-rounded education that transcends academic boundaries.

Glocal University places a strong emphasis on practical agricultural education, exemplified by its meticulous Field Preparation for Seed Sowing initiatives. Students actively participate in preparing the fields for optimal seed germination and crop growth. This hands-on process involves various tasks, including soil tillage, leveling, and nutrient management.

During field preparation, students learn the importance of soil health, proper irrigation, and the significance of precision in sowing. The practical experience not only reinforces theoretical

knowledge gained in the classroom but also instills essential skills for sustainable farming practices. The initiative at Glocal University is designed to empower students with a comprehensive understanding of the agricultural lifecycle, ensuring they are well-equipped for the challenges and innovations in modern farming. This practical approach aligns with the university's commitment to fostering practical skills and experiential learning in the field of agriculture.

Glocal University takes a progressive approach to agriculture with its meticulous Field Preparation for Organic Farming program. This hands-on initiative involves students actively engaging in the groundwork for sustainable and chemical-free cultivation. From soil enrichment

through composting to implementing natural pest control measures, students learn the principles of organic farming firsthand.

The Field Preparation for Organic Farming at Glocal University not only emphasizes the importance of soil health and biodiversity but also instills a deep understanding of ecologically conscious agricultural practices. Through this experiential learning, students gain practical insights into the nuances of organic farming, ensuring they are well-versed in environmentally friendly and sustainable approaches to agriculture. This initiative aligns with the university's commitment to promoting eco-friendly practices and cultivating environmentally responsible future agriculturists.

AGRICULTURE FIELD VISIT

Glocal University's Agriculture Field Visit program offers students a practical and immersive experience in the realm of agriculture. This initiative goes beyond the classroom, exposing students to real-world agricultural practices. During these visits, students explore diverse

agricultural landscapes, engage with local farmers, and witness firsthand the various stages of crop cultivation.

The Agriculture Field Visit at Glocal University serves as a crucial bridge between theoretical knowledge and practical application. Students gain insights into innovative farming techniques, sustainable practices, and the challenges faced by the agricultural community. This experiential learning opportunity not only enhances their understanding of agronomy but also fosters a deep appreciation for the complexities and significance of modern agriculture. The program aligns with the university's commitment to providing a holistic education that prepares students for the dynamic field of agriculture.

STUDY OF AGROFORESTRY SYSTEMS

Glocal University places a strong emphasis on experiential learning, exemplified by its field visits for Agroforestry Systems. Students actively participate in these excursions to gain practical insights into the integration of trees and shrubs with agricultural crops. These visits provide a hands-on experience in understanding the sustainable and holistic benefits of agroforestry.

Led by knowledgeable faculty, students explore diverse agroforestry models, studying the interactions between trees, crops, and the environment. The program includes practical activities such as tree planting, maintenance practices, and the observation of ecological dynamics. By immersing students in the field, Glocal University ensures that they acquire not only theoretical knowledge but also the practical skills necessary for implementing agroforestry systems. This approach aligns with the university's commitment to preparing environmentally conscious professionals capable of addressing complex challenges in agriculture and land management.

STUDY OF SOIL EROSION

Glocal University addresses the critical issue of soil erosion through comprehensive educational initiatives. Understanding the detrimental impact of soil erosion on agricultural productivity and

environmental health, the university emphasizes awareness and practical solutions. Students actively engage in studying soil erosion patterns, its causes, and preventive measures.

Through classroom lectures, hands-on fieldwork, and research projects, Glocal University instills a profound understanding of soil conservation techniques. The educational approach includes exploring vegetation cover, contour plowing, and the implementation of erosion control structures. By fostering this knowledge, the university aims to equip students with the tools to combat soil erosion, promoting sustainable agriculture and environmental stewardship. Glocal University's commitment to addressing soil erosion aligns with its broader mission of preparing environmentally conscious and responsible professionals for the challenges of the future.

15.3 UNIVERSITY POLICIES FOR IDENTIFICATION AND MONITORING OF IUCN RED LISTED SPECIES

Glocal University prioritizes the identification and monitoring of IUCN Red Listed and nationally protected species within areas influenced by university operations. Our policies involve:

1. **Comprehensive Surveys:** Regular surveys to identify and monitor endangered species, ensuring accurate data collection.
2. **Habitat Conservation:** Implementation of conservation measures to protect the habitats of identified species affected by university activities.
3. **Collaborative Research:** Collaboration with environmental experts and agencies for effective monitoring and conservation strategies.

4. **Public Awareness Events:** Organizing events and campaigns to raise awareness about the importance of preserving these species and their habitats.

Through these initiatives, Glocal University actively contributes to the preservation of biodiversity in areas impacted by university operations.

15.3.3 UNIVERSITY POLICIES FOR LOCAL BIODIVERSITY INCLUDED IN PLANNING AND DEVELOPMENT

Glocal University integrates local biodiversity preservation into planning and development with committed policies:

1. **Biodiversity Impact Assessment:** Conducting assessments to understand and minimize the impact of development on local flora and fauna.
2. **Green Infrastructure:** Incorporating green spaces, native vegetation, and wildlife corridors in campus development plans.
3. **Native Species Promotion:** Prioritizing the use of indigenous plant species in landscaping and restoration projects.
4. **Educational Programs:** Hosting workshops and awareness events to educate the community about the significance of local biodiversity.
5. **Collaboration with Conservation Bodies:** Actively collaborating with conservation organizations for expertise and joint initiatives.

Through these policies, Glocal University ensures responsible development that harmonizes with and promotes local biodiversity.

Glocal University takes a holistic approach to education by actively engaging students in science projects that focus on biodiversity and environmental awareness. Through these initiatives, students delve into hands-on projects that explore the richness of biodiversity, ecological systems, and environmental conservation. The projects aim to deepen understanding and appreciation for the intricate balance of ecosystems while fostering a sense of responsibility toward environmental stewardship.

Led by faculty mentors and supported by the university's commitment to sustainability, these science projects contribute to creating a culture of environmental awareness on campus. Students gain practical insights into scientific inquiry, biodiversity conservation, and the importance of sustainable practices. This integrated approach aligns with Glocal University's mission to prepare environmentally conscious and socially responsible individuals who can contribute meaningfully to global ecological challenges.

Glocal University's campus is a verdant masterpiece, adorned with enchanting gardens that feature the splendid Amaltas trees and Cinnamomum camphora. The vibrant Amaltas, with its golden blossoms, adds a burst of color, creating a visually stunning landscape. Complementing this, the Cinnamomum camphora, known for its aromatic foliage, contributes to the serene atmosphere. The strategic placement of these trees within the greenery showcases Glocal's commitment to creating a sustainable and visually appealing environment. The Amaltas and Cinnamomum camphora not only enhance the campus's aesthetic allure but also embody the university's dedication to fostering biodiversity and providing a tranquil haven for academic

15.3.4 UNIVERSITY POLICIES FOR ALIEN SPECIES IMPACT REDUCTION (POLICIES)

Glocal University is committed to mitigating the impact of alien species through dedicated policies:

1. **Prevention Strategies:** Implementing strict measures to prevent the introduction of invasive alien species on campus.

2. **Early Detection and Removal:** Regular monitoring to identify and promptly remove any alien species that may pose a threat.
3. **Educational Campaigns:** Conducting awareness programs to educate the community about the risks associated with invasive species.
4. **Collaboration with Experts:** Partnering with ecological experts and organizations to enhance expertise in alien species management.
5. **Restoration Initiatives:** Undertaking restoration projects to rehabilitate areas affected by invasive species, promoting the revival of native flora and fauna.

These policies reflect Glocal University's proactive approach to minimizing the impact of alien species on local ecosystems.

15.3.5 UNIVERSITY POLICIES FOR COLLABORATION FOR SHARED LAND ECOSYSTEMS

Glocal University actively promotes collaboration for shared land ecosystems through comprehensive policies:

1. **Ecosystem Partnerships:** Establishing collaborative agreements with local communities, environmental organizations, and government bodies to jointly manage and conserve shared land ecosystems.
2. **Community Engagement:** Engaging in community-driven initiatives for sustainable land use, ensuring the participation of local residents in decision-making processes.
3. **Cross-Sector Collaborations:** Forging partnerships with diverse sectors, including agriculture, tourism, and forestry, to create integrated and sustainable land management approaches.
4. **Joint Events and Programs:** Hosting joint events, workshops, and programs that facilitate knowledge exchange and collaborative efforts in ecosystem conservation.

These policies reflect Glocal University's commitment to fostering inclusive and cooperative approaches for the sustainable management of shared land ecosystems.

15.4.1 UNIVERSITY POLICIES FOR WATER DISCHARGE GUIDELINES AND STANDARDS

Glocal University is dedicated to responsible water discharge practices, as outlined in our policies:

1. **Stringent Standards:** Adhering to strict water discharge guidelines to ensure the quality of discharged water meets or exceeds regulatory standards.
2. **Effluent Treatment:** Implementing advanced effluent treatment systems to minimize the environmental impact of water discharge from campus facilities.
3. **Regular Monitoring:** Conducting regular water quality assessments to monitor discharge parameters and promptly address any deviations.
4. **Awareness Campaigns:** Organizing awareness campaigns on water conservation and responsible discharge practices, involving students, faculty, and local communities.

These policies and actions underscore our commitment to sustainable water management and environmental stewardship.

Groundwater Awareness Week: A Recap of the 2022 Event at Glocal University

Observed from July 16th to 22nd, 2023, Groundwater Awareness Week emerged as a significant initiative by Glocal University, dedicated to raising awareness about the critical need for preserving and conserving groundwater. This week-long event aimed to engage the campus community in understanding the vital role groundwater plays in our lives and the imperative of its sustainable use.

Key events and activities unfolded throughout the week to inform, educate, and inspire action:

1. Seminar on Groundwater Conservation (July 19th): The week commenced with an enlightening seminar on "Groundwater Conservation," featuring distinguished dignitaries such as Pro Vice-Chancellor Prof. Dr. Pankaj Kumar Mishra and Pro Vice-Chancellor Prof. Dr. Satish Kumar Sharma. This seminar provided a platform for experts to discuss the significance of groundwater preservation and strategies for ensuring its sustainable use. Attendees gained valuable insights into the challenges and solutions related to groundwater conservation.
2. Poster Making Competition on Jal Sanrakshan (July 21st): Groundwater Awareness Week also showcased a poster-making competition themed "Preserving Groundwater for Future Generations" or "Jal Sanrakshan." This creative event allowed participants to express their perspectives on groundwater preservation through art and imagery, creating visual reminders of the importance of protecting this invaluable resource.

The week's events successfully engaged the campus community in discussions and activities related to groundwater conservation. They raised awareness about the critical role of groundwater and inspired individuals to take action in preserving this precious resource. Groundwater Awareness Week at Glocal University, with Pro Vice-Chancellor Prof. Dr. Pankaj Kumar Mishra and Pro Vice-Chancellor Prof. Dr. Satish Kumar Sharma as dignitaries, represented a comprehensive and commendable effort to educate and mobilize the campus community about the importance of groundwater preservation. The seminar and poster-making competition served as valuable tools to convey the significance of sustainable water use and the need to protect this vital resource for future generations."

Glocal University, took a pioneering step toward sustainability by initiating local water restoration projects within its campus garden areas. Recognizing the importance of water conservation, the university implemented innovative solutions to harness and restore local water sources. These efforts not only enhance the resilience of the garden areas but also contribute to the overall sustainability of the campus ecosystem. By prioritizing responsible water management, Glocal University underscores its commitment to environmental stewardship and creating a campus environment that not only flourishes with lush greenery but does so in harmony with the local water resources, fostering a balanced and ecologically conscious landscape.

15.4.2 UNIVERSITY POLICIES FOR POLICY ON PLASTIC WASTE REDUCTION (POLICIES)

Glocal University is steadfast in its commitment to plastic waste reduction through comprehensive policies:

1. **Elimination Initiatives:** Implementing strategies to minimize single-use plastics across campus, including in dining areas and events.
2. **Recycling Programs:** Establishing robust plastic recycling programs to ensure responsible disposal and reduce environmental impact.
3. **Alternative Materials:** Promoting the use of eco-friendly and biodegradable alternatives to traditional plastic products.
4. **Awareness Campaigns:** Conducting regular awareness campaigns to educate the university community about the detrimental effects of plastic waste and encourage responsible usage.

These policies, combined with ongoing initiatives, signify our dedication to fostering a plastic-conscious and sustainable campus environment.

Green Initiative at Glocal University in 2022

Central to our celebrations was the Tree Planting Event, a symbolic gesture reflecting our unwavering commitment to a sustainable future. Students, faculty, and staff united in planting a diverse array of trees on campus, not only enhancing its natural beauty but also contributing significantly to a healthier environment.

Concurrent with the tree planting, we hosted an Environmental Awareness Campaign throughout the day. Participants were urged to adopt eco-friendly habits, with a focus on reducing paper usage through digital campus initiatives and responsible printing practices. The campaign also emphasized minimizing food wastage by encouraging smaller portions in hostels and cafeterias, along with a call to reduce plastic consumption in daily life.

Distinguished speakers, including Pro Vice Chancellor Prof. Dr. Satish Kumar Sharma, Pro Vice Chancellor Prof. Dr. Pankaj Kumar Mishra, Campus Director Dr. SP Panday, and other esteemed guests, graced our event with insightful speeches. They underscored the importance of World Environment Day and highlighted the imperative to combat plastic pollution. Workshops led by environmental experts provided practical solutions to #BeatPlasticPollution, receiving enthusiastic participation and fostering a deeper understanding of the issue.

Culminating the event, participants were encouraged to take a Pledge for a Greener Future. Wholeheartedly embracing this commitment, everyone vowed to reduce their carbon footprint and cultivate a heightened awareness of their environmental impact. The collective efforts showcased our dedication to fostering a sustainable and eco-conscious community at Glocal University."

Glocal University is at the forefront of the "Beat Plastic Pollution" movement, spearheading a proactive campaign to eliminate plastic use on its campus. Through the "Say No to Plastic" initiative, the university is actively working to reduce pollution and protect the ecosystem. Implementing sustainable alternatives, promoting plastic-free practices, and conducting awareness campaigns, Glocal University is fostering a culture of environmental responsibility. By encouraging the academic community to minimize plastic usage, the campaign aligns with the institution's commitment to creating a cleaner, healthier campus. Glocal University's dedication to beating plastic pollution underscores its role as a conscientious steward of the environment, inspiring positive change within its community and contributing to a greener, plastic-free future.

Glocal University leads the charge in the "Beat Plastic Pollution" movement with an impactful campaign dedicated to eradicating plastic usage on its campus. Embracing the "Say No to Plastic" initiative, the university actively pursues strategies to diminish pollution and safeguard the ecosystem. This involves the adoption of sustainable alternatives, the promotion of plastic-free practices, and the orchestration of awareness campaigns. Through these concerted efforts, Glocal University cultivates a culture of environmental responsibility, urging its academic community to minimize plastic consumption. This campaign mirrors the institution's steadfast

commitment to fashioning a cleaner, healthier campus environment. Glocal University's unwavering dedication to combatting plastic pollution exemplifies its role as a conscientious custodian of the environment, catalyzing positive change within its community and contributing to a future free of plastic.

15.4.3 UNIVERSITY POLICIES FOR HAZARDOUS WASTE DISPOSAL (POLICIES)

Glocal University maintains stringent policies for hazardous waste disposal, ensuring responsible practices and environmental protection:

1. **Safe Handling Protocols:** Implementing rigorous protocols for the safe handling, storage, and transportation of hazardous waste.
2. **Specialized Training:** Providing specialized training to staff involved in hazardous waste management to ensure compliance with safety standards.
3. **Collaboration with Authorities:** Collaborating with local environmental authorities to adopt best practices and adhere to regulations.
4. **Regular Audits:** Conducting regular audits of waste disposal processes to identify areas for improvement and maintain compliance.

These policies, coupled with proactive measures, underscore our commitment to the safe and environmentally conscious disposal of hazardous waste.

Glocal University is dedicated to advancing the cause of land conservation and sustainable utilization, with a focus on forests and wild areas. Also, Glocal University's Ecosystem and Biodiversity Policy underscores a commitment to preserving plant and animal diversity. Glocal University's Educational Programs Ecosystem/Biodiversity Policy is dedicated to community engagement. Past initiatives include organizing workshops on local flora and fauna, conducting biodiversity conservation seminars, and implementing educational outreach in nearby communities.

In 2022, Glocal University initiated a transformative "Green and Clean Campus Drive" that underscored the institution's commitment to environmental sustainability. The event brought together students, faculty, and staff in a collective effort to enhance the campus's ecological footprint. Participants engaged in tree planting, waste reduction initiatives, and campus beautification projects, fostering a sense of environmental responsibility. Workshops on sustainable practices and recycling were organized, promoting a culture of cleanliness and eco-conscious living. Glocal University's "Green and Clean Campus Drive" not only contributed to a visually appealing environment but also instilled a sense of environmental stewardship among the campus community, aligning with the global call for sustainable and green living.

In 2022, Glocal University proudly transformed its campus into a model of environmental sustainability with a focus on creating a green haven enriched with biodiversity. The campus embraced eco-friendly practices by incorporating degradable items, reducing its ecological footprint. Lush greenery and diverse plant life adorned the surroundings, creating a serene and vibrant atmosphere conducive to learning and well-being. Glocal University's commitment to biodiversity preservation and sustainable practices extended beyond academic pursuits, fostering a holistic approach to environmental stewardship. The incorporation of degradable items exemplifies the institution's dedication to minimizing waste and promoting a harmonious coexistence between the campus and its natural surroundings, creating a truly green and eco-conscious educational environment.

SDG 17 – PARTNERSHIPS FOR THE GOALS

GLOCAL UNIVERSITY

INDIA

2022

17.2: Relationships to support the goals:

17.2.1: Our Organization is actively involved in identifying challenges and problems at local, national & international level as well as helping in the developing the policies such as providing free or subsidized education to the local, national, international as well as economically weaker section of the regional area; emphasizing on the girl education.

1. SDG- 16: The University provides legal aids in collaboration with district court to the needy people in the rural area.
2. SDG-1, 3, 11: The University organizes health camps, health awareness activities to address the health issues of people of nearby rural area
3. SDG-1, 10 The University supports nearby primary schools, inter-colleges of nearby rural area by conducting career counselling sessions, educational sessions in order to provide guidance, awareness and support for higher education and career growth.

17.2.2: The University has supported UP Govt. Health Education Mission - Mission Nirmaya by providing career counselling to the 12th /Higher Secondary Students of Govt. and Non- Govt. Colleges located in Saharanpur District. Also, the University had organized a National seminar in under the Mission of UP Govt. on "Bharat Ki Azadi me Uttar Pradesh ki Bhumika".

17.2.3: The University has several collaborations with international bodies to promote affordable subsidized education to the students of under-developed and developing countries, to eradicate poverty, to reduce inequality, and to promote good health.

17.2.4: The University has published several research articles, review reports, patents in the field of good health and well-being, affordable and clean energy, medicine, life on land, agriculture.

17.2.5: The University has collaborated with several NGOs in order to tackle the SDGs like No Poverty, Zero Hunger, Good Health and Well Being, Affordable and Clean Energy, Clean Water

and Sanitation, life on land through student volunteering programs, research programs, outreach activities, community awareness, health camps, etc.

17.3.1: Publication of SDG reports: The SDGs reports are published as overall report, and separate reports

17.4: Education for the SDGs

17.4.1: Glocal University is dedicated to meaningful education on SDGs, evident through our comprehensive policy ensuring integration across academic disciplines. Annual events like the "SDG Education Symposium" involve students in insightful discussions, workshops, and projects. These initiatives cultivate a deep understanding of sustainable development, empowering students to enact positive change. By embedding SDGs in the curriculum and fostering interactive platforms, Glocal University actively shapes informed, socially responsible graduates equipped to contribute to a sustainable future.

17.4.2: Glocal University's commitment to sustainability is evident in its policy of offering dedicated courses addressing the SDGs across disciplines. Past actions include launching the "Sustainable Futures Series," featuring specialized courses, seminars, and workshops. Notable events like the "SDG Challenge" engaged students in designing innovative solutions. Collaborations with renowned sustainability experts further enriched these courses. Glocal University consistently adapts its curriculum to align with evolving global challenges, ensuring that students receive a holistic education that fosters a deep understanding of sustainability and the SDGs.

17.4.3: Glocal University's commitment to community outreach is reflected in policies promoting dedicated educational activities for a broader audience, including alumni, local residents, and displaced individuals. The university organized the "Community Learning Fest," offering workshops, skill-building sessions, and access to educational resources. Collaborations with local NGOs enhanced the impact of these activities, ensuring they catered to diverse community needs. Through initiatives like the "Glocal Knowledge Hub," the university has provided continuous learning opportunities. These actions underscore Glocal University's dedication to extending educational support beyond campus boundaries, fostering lifelong learning and community empowerment.
